Tourism, Recreation, and Sustainability Stephen F. McCool, R. Neil Moisey, 2008 This book is designed to illustrate many of the issues and approaches associated with sustainable tourism development policy and research Included are case studies of tourism development using both quantitative and qualitative methods analytical frameworks for managing tourism and chapters addressing critical questions about the relationship between tourism and sustainability goals As a whole the book demonstrates the many dimensions and topics associated with attempts to address the complex issues associated with sustainability and tourism Added in this second edition are several new chapters that address emerging issues in management of tourism Part I Frameworks and Approaches discusses the need for integration of social and environmental issues in tourism development Part II Tourism and Place explicitly recognizes the importance of understanding the values and attributes of areas that become tourist destinations Part III Emerging Issues in Culture and Tourism illustrates that we live in a dynamic world that what was once acceptable is no longer that our mental models of tourism development are in constant change and that researchers and policy makers must be alert to shifting public values and beliefs This part includes material on local attitudes poverty alleviation indigenous people and tourism and a discussion about culture and tourism The book has 16 chapters and a subject index *Tourism Development and the Environment* Richard Sharpley, 2009 First Published in 2009 Routledge is an imprint of Taylor Francis an informa company

Environmental Issues of Tourism and Recreation Zbigniew Mieczkowski, 1995-08 This text discusses the environmental impact of tourism and recreation It is divided into three parts environmental impacts on tourism and tourists the positive and negative impact of tourism on the natural environment and suggestions on how to minimise any unfavourable effects Environment and Tourism Andrew Holden, 2000 For many people holidays are an increasingly central feature of contemporary western society The tourism industry has expanded rapidly since 1950 but this book poses the significant question of consequent environmental impacts are environments being benefited or damaged by the tourist

who visit them A well balanced introductory text this topical book on the relationships between tourism society and the environment examines tourism and environment in detail and gives a historical overview of the growth of the tourism industry It discusses how the tourism industry markets physical and cultural environments to be consumed by the tourist and the consequences of the tourism they then attract It explores how the economics of tourism can be adopted in a positive way to aid conservation whether the concept of sustainability can be applied to tourism provides a critique of the new forms of tourism that have developed in recent years An extensive range of international case studies from both the developed and developing world are used to illustrate the theoretical ideas presented and to aid the student it includes end of chapter summaries further reading guides and boxed vignettes focusing on contemporary environmental issues and debates

Religious Tourism and the Environment Kiran A. Shinde, Daniel H. Olsen, 2020-09-30 The remarkable growth in religious tourism across the world has generated considerable interest in the impacts of this type of tourism Focusing here on environmental issues this book moves beyond the documentation of environmental impacts to examine in greater depth the intersections between religious tourism and the environment Beginning with an in depth introduction that highlights the intersections between religion tourism and the environment the book then focuses on the environment as a resource or generator for religious tourism and as a recipient of the impacts of religious tourism Chapters included discuss such important areas as theological views environmental responsibility and host perspectives [Tourism and the Environment](#)

Helen Briassoulis, Jan van der Straaten, 2012-12-06 The issue of maintaining a balanced relationship between tourism and the environment has received considerable attention since the 1970s However only in the 1980s and 1990s did it become a topic of systematic academic inquiry and research distinguished from the broader area of the environmental impacts of recreation and leisure activities This volume dwells on the environmental and economic impacts of tourism and is divided as follows Part 1 Introduction and Overview Part 2 Tourism and the Environment General Considerations Part 3 Regional Issues Part 4 Economic Issues Part 5 Policy Issues The work is complemented by a subject index **The Routledge Handbook of**

Tourism and the Environment Andrew Holden, David Fennell, 2012-08-21 The Routledge Handbook of Tourism and the Environment explores and critically evaluates the debates and controversies inherent to tourism's relationship with nature especially pertinent at a time of major re evaluation of our relationship with the environment as a consequence of the environmental problems we now face It brings together leading specialists from range of disciplinary backgrounds and geographical regions to provide state of the art theoretical reflection and empirical research on this complex relationship and future direction The book is divided into five interrelated sections Section one evaluates the philosophical basis rationale and complexity of what is meant by the term environment considering the major influences in the construction of how we understand our surroundings and the types of values we place upon them Section two evaluates the types of eco systems that are used as natural resources for tourism and the negative and positive impacts upon them Section three evaluates relevant

environmental policy and management mechanisms for the impacts of tourism on the natural environment Section four focuses on the changing tourism environment relationship and the types of tourism that have become established in the tourism industry market and policy Section five analyzes contemporary and future issues of the tourism environment relationship based upon themes of environmental and social welfare This timely book will provide an invaluable resource for all those with an interest in tourism s relationship with the natural environment encouraging dialogue across disciplinary boundaries and areas of study The book is international in its focus emphasizing that issues of tourism and the natural environment are not only localized but transcend national boundaries that sometimes require both international and global responses This is essential reading for student researchers and academics of Tourism as well as those of Geography Environmental Studies and Development Studies **Sustainable Tourism** Rebecca Hawkins, Victor T.C.

Middleton, 2009-11-03 Looking ahead to the 21st century Sustainable Tourism explains the current thinking process that underlies the emerging international principles of more sustainable development in travel and tourism Using international illustrations it draws on experience and good practice as they are being increasingly applied around the world in the late 1990s In sharp contrast to the problem analysis approach adopted by so many authors to this subject this book is focused on the pro active role the private sector industry can play in partnership with the public sector to achieve solutions through its day to day operations and marketing especially in product enhancement and quality controls Case material contributed by senior professionals in the industry include Kruger National Park South Africa Quicksilver Connections Barrier Reef Australia Edinburgh s Old Town UK Ironbridge Gorge Museum UK Rutland Water UK Industry illustrations are drawn from British Airways Grecotel Inter Continental Hotels and Resorts the International Federation of Tour Operators P O and TUI Professor Victor Middleton has had some thirty years international experience of marketing practice covering most of the private and public sectors of travel and tourism He holds appointments as Visiting Professor at Oxford Brookes University and University of Central Lancashire Dr Rebecca Hawkins runs her own business specialising in environmental aspects of tourism projects and has undertaken a number of pioneering programmes in this role She was Deputy Director of the World Travel and Tourism Environment Research Centre at Oxford Brookes University where she worked with Victor Middleton
