Tiger Trap Americas Secret Spy War With China:

Tiger Trap David Wise, 2011 A history of Chinese espionage in America draws on interviews with key FBI and CIA insiders focusing on two key cases double agent Katrina Leung and the scientist known as Tiger Trap who was suspected of stealing nuclear weapons secrets *Tiger Trap* David Wise, 2011-05-23 For decades while America obsessed over Soviet spies China quietly penetrated the highest levels of government Now for the first time based on numerous interviews with key insiders at the FBI and CIA as well as with Chinese agents and people close to them David Wise tells the full story of China's many victories and defeats in its American spy wars Two key cases interweave throughout Katrina Leung code named Parlor Maid worked for the FBI for years even after she became a secret double agent for China aided by love affairs with both of her FBI handlers Here too is the inside story of the case code named Tiger Trap of a key Chinese American scientist suspected of stealing nuclear weapons secrets These two cases led to many others involving famous names from Wen Ho Lee to Richard Nixon stunning national security leaks and sophisticated cyberspying The story takes us up to the present with a West Coast spy ring whose members were sentenced in 2010 but it surely will continue for years to come as China faces off against America David Wise's history of China's spy wars in America is packed with eye popping revelations **Spy** David Wise, 2003-10-14 *Spy* tells for the first time the full authoritative story of how FBI agent Robert Hanssen code name grayday spied for Russia for twenty two years in what has been called the worst intelligence disaster in U S history and how he was finally caught in an incredible gambit by U S intelligence David Wise the nation's leading espionage writer has called on his unique knowledge and unrivaled intelligence sources to write the definitive inside story of how Robert Hanssen betrayed his country and why *Spy* at last reveals the mind and motives of a man who was a walking paradox FBI counterspy KGB mole devout Catholic obsessed pornographer who secretly televised himself and his wife having sex so that his best friend could watch defender of family values fantasy James Bond who took a stripper to Hong Kong and carried a machine gun in his car trunk Brimming with startling new details sure to make headlines *Spy* discloses the previously untold story of how the FBI got the actual file on Robert Hanssen out of KGB headquarters in Moscow for 7 million in an unprecedented operation that ended in Hanssen's arrest how for three years the FBI pursued a CIA officer code name gray deceiver in the mistaken belief that he was the mole they were seeking inside U S intelligence The innocent officer was accused as a spy and suspended by the CIA for nearly two years why Hanssen spied based on exclusive interviews with Dr David L Charney the psychiatrist who met with Hanssen in his jail cell more than thirty times Hanssen in an extraordinary arrangement authorized Charney to talk to the author the full story of Robert Hanssen's bizarre sex life including the hidden video camera he set up in his bedroom and how he plotted to drug his wife Bonnie so that his best friend could father her child how Hanssen and the CIA's Aldrich Ames betrayed three Russians secretly spying for the FBI including tophat a Soviet general who were then executed by Moscow that after Hanssen was already working for the KGB he directed a study of moles in the FBI when as he alone knew

he was the mole Robert Hanssen betrayed the FBI He betrayed his country He betrayed his wife He betrayed his children He betrayed his best friend offering him up to the KGB He betrayed his God Most of all he betrayed himself Only David Wise could tell the astonishing full story and he does so in masterly style in **Spy The Scientist and the Spy** Mara Hvistendahl, 2021-02-02 A riveting true story of industrial espionage in which a Chinese born scientist is pursued by the U S government for trying to steal trade secrets by a finalist for the Pulitzer Prize in nonfiction In September 2011 sheriff s deputies in Iowa encountered three ethnic Chinese men near a field where a farmer was growing corn seed under contract with Monsanto What began as a simple trespassing inquiry mushroomed into a two year FBI operation in which investigators bugged the men s rental cars used a warrant intended for foreign terrorists and spies and flew surveillance planes over corn country all in the name of protecting trade secrets of corporate giants Monsanto and DuPont Pioneer In **The Scientist and the Spy** Hvistendahl gives a gripping account of this unusually far reaching investigation which pitted a veteran FBI special agent against Florida resident Robert Mo who after his academic career foundered took a questionable job with the Chinese agricultural company DBN and became a pawn in a global rivalry Industrial espionage by Chinese companies lies beneath the United States recent trade war with China and it is one of the top counterintelligence targets of the FBI But a decade of efforts to stem the problem have been largely ineffective Through previously unreleased FBI files and her reporting from across the United States and China Hvistendahl describes a long history of shoddy counterintelligence on China much of it tinged with racism and questions the role that corporate influence plays in trade secrets theft cases brought by the U S government **The Scientist and the Spy** is both an important exploration of the issues at stake and a compelling involving read

Servitors of Empire Darrell Hamamoto, 2014-08-01 Forcing a fundamental rethinking of the Asian American elite many of whom have attained top positions in business government academia sciences and the arts this book will be certain to generate a good deal of controversy and honest discussion regarding the role Asian Americans will play in the new century as China and India loom ever larger in the world economic system Not since the large scale infusion of scientists and engineers fleeing Nazi Germany has there been such a mass importation of intellectual labor from U S client states in Asia One of the specialized tasks assigned to this group is to build the technetronic infrastructure for the new world order command and control system **Servitors of Empire** is not intended to fan the flames of suspicion and paranoia aimed at Asian Americans but serves to illuminate the way in which highly trained knowledge workers are being employed to bring sovereign nations such as the United States under centralized rule made possible through advances in bioscience IT engineering and global finance

Japan and Asia's Contested Order Yul Sohn, T. J. Pempel, 2018-08-20 This book brings together up to date research from prominent international scholars in a collaborative exploration of the Japan s efforts to shape Asia s rapidly shifting regional order Pulled between an increasingly inward looking America whose security support remains critical and a rising and more militarily assertive China with whom Japan retains deep economic interdependence Japanese leaders are consistently

maneuvering to ensure the country's regional interests Nuclear and missile threats from North Korea and historically problematic relations with South Korea further complicate Japanese endeavors So too do the shifting winds of Japanese domestic politics economics and identity The authors weave these complex threads together to offer a nuanced portrait of both Japan and the region Scholars observers of politics and policymakers will find this a timely and useful collection *The Routledge International Handbook of Universities, Security and Intelligence Studies* Liam Gearon, 2019-10-08 In an era of intensified international terror universities have been increasingly drawn into an arena of locating monitoring and preventing such threats forcing them into often covert relationships with the security and intelligence agencies With case studies from across the world the Routledge International Handbook of Universities Security and Intelligence Studies provides a comparative in depth analysis of the historical and contemporary relationships between global universities national security and intelligence agencies Written by leading international experts and from multidisciplinary perspectives the Routledge International Handbook of Universities Security and Intelligence Studies provides theoretical methodological and empirical definition to academic scholarly and research enquiry at the interface of higher education security and intelligence studies Divided into eight sections the Handbook explores themes such as the intellectual frame for our understanding of the university security intelligence network historical contemporary and future looking interactions from across the globe accounts of individuals who represent the broader landscape between universities and the security and intelligence agencies the reciprocal interplay of personnel from universities to the security and intelligence agencies and vice versa the practical goals of scholarship research and teaching of security and intelligence both from within universities and the agencies themselves terrorism research as an important dimension of security and intelligence within and beyond universities the implication of security and intelligence in diplomacy journalism and as an element of public policy the extent to which security and intelligence practice research and study far exceeds the traditional remit of commonly held notions of security and intelligence Bringing together a unique blend of leading academic and practitioner authorities on security and intelligence the Routledge International Handbook of Universities Security and Intelligence Studies is an essential and authoritative guide for researchers and policymakers looking to understand the relationship between universities the security services and the intelligence community **China And Its Embrace of Offensive Cyberespionage** Kristan

Stoddart, 2025-09-22 The West is under challenge from the rise of China as a global power Cyberespionage has enhanced China's economy military and political influence and it is now a peer rival to the American led West across land sea air and space China can conduct cyberespionage on a scale that no other nation can currently match Its Belt and Road Initiative is a modern day Silk Route for both overland and maritime trade Under President Xi Jinping China is now much closer to parity in conventional forces should it begin hard power contestation and enter the realm of Thucydides Trap a belief that a rising power will challenge a hegemon Chinese cyberespionage is a real long term challenge to the United States and the West in

general This book discusses what the implications are and what might still be to come **Understanding War** Christian P. Potholm, 2016-08-03 The third book in Professor Christian Potholm's war trilogy which includes *Winning at War* and *War Wisdom* *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material *Understanding War* is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures

Act of War Jack Cheevers, 2014-12-02 WINNER OF THE SAMUEL ELIOT MORISON AWARD FOR NAVAL LITERATURE I devoured *Act of War* the way I did *Flyboys* *Flags of Our Fathers* and *Lost in Shangri la* Michael Connelly 1 New York Times Bestselling Author In 1968 the small dilapidated American spy ship USS *Pueblo* set out to pinpoint military radar stations along the coast of North Korea Though packed with advanced electronic surveillance equipment and classified intelligence documents its crew led by ex submarine officer Pete Bucher was made up mostly of untested young sailors On a frigid January morning the *Pueblo* was challenged by a North Korean gunboat When Bucher tried to escape his ship was quickly surrounded by more boats shelled and machine gunned forced to surrender and taken prisoner Less than forty eight hours before the *Pueblo's* capture North Korean commandos had nearly succeeded in assassinating South Korea's president The two explosive incidents pushed Cold War tensions toward a flashpoint Based on extensive interviews and numerous government documents released through the Freedom of Information Act *Act of War* tells the riveting saga of Bucher and his men as they struggled to survive merciless torture and horrendous living conditions set against the backdrop of an international powder keg
