Killer Clarissa Wild, 2015-06-17 This is a prequel to the Dark Romance Standalone STALKER Some secrets are meant to stay hidden Secrets could kill you My husband is the prime example I'm a trophy wife Someone's prized possession just there to be pretty My dreams were pushed aside for his Until one fateful night one chance encounter all his dirty secrets were exposed And then my supposed husband is killed I should be sad but all I feel is anger My husband is a lying cheating bastard And if that isn't bad enough I'm now the prime suspect for his murder Only his brother believes I'm innocent and in his support I find relief However I will find the real killer and bring him to justice before he tries to end my life too WARNING This book contains strong language explicit situations and disturbing content

Lady Killer Robert Moore, 2013-01-18 A man with a pathological hatred of women loves only his work as an assassin especially when the job offers an opportunity to indulge his whims

The Lady-Killer Frank Ramlau, 2021-04-26 Paul is not particularly attached to the opposite sex from his previous failed marriage He has had no desire for a relationship in any form since the painful separation Here he tells us freely and uncensored his encounters with the opposite sex which happened purely by chance What had previously been a collegial discreetness and decency unexpectedly developed into personal closeness with a sizzling eroticism There are things that cannot be explained only acknowledged with amazement The realization You can't force anything One person finds it easier the other more difficult His psychologist recognized in him a lack of resilience i.e. the ability not to fail in the face of resistance and not to work through it senselessly You know what they say you can't do it you won't make it etc But as life goes you get into situations and don't even realize that you have overcome them very well Especially then you don't notice it if you don't reflect yourself and also don't question yourself And also because you are not

told Maybe you make yourself interesting for others only by your pleasant presence and neutral respectable evaluation of other opinions One does not observe oneself But one is observed and evaluated Mostly however behind the back Even if we do not like that That s the way things are in interpersonal relationships especially in teams Read the stories and write me your opinion at the end I m curious if you ve had similar experiences yourself how you deal with it and especially how you rated the book The erotic stories are all written in a clear expressive choice of words and therefore definitely only suitable for adult readers Taken Jennifer Maples,2020-03-24 Haunted by the death of her parents and baby sister and the abuse of

A Serial Killer's Obsession C. F. Rabbiosi,2018-12-11 I came here for HER Hardly sleeping hardly human I walked into the Lion s Den I knew once entered I would never leave alive I had to do it I had to END her for her betrayal But as she lies in pieces the truth daggers through me I crossed the threshold between life and death only to touch her again Warning Forced desire power exchange dubious consent and some gore Not your fluffy romance more like your sexual tension fix
