Adequately Explained by Stupidity? Morag G. Kerr,2013-12-21 Tunnel vision or organised cover up How the Lockerbie investigation got the wrong man Twenty five years after Maid of the Seas crashed on the town of Lockerbie this groundbreaking book introduces an entirely new perspective on the controversial investigation and subsequent conviction Concentrating almost entirely on the transfer baggage evidence it exposes shocking deficiencies in both the police inquiry and the forensic investigation which led the hunt in entirely the wrong direction Cleverly constructed to lead the reader through the complexities of the case the book provides insights which will be new to even the most seasoned Lockerbie pundit while remaining accessible to those with little or no previous familiarity with the subject The reader will see all the main aspects of the official account of the Lockerbie disaster comprehensively destroyed This is the first book about Lockerbie to deal rigorously with the detail of the transfer baggage evidence Dr Kerr has been given access to reports statements and photographs not previously available to the general public and has analysed the information with forensic rigour This analysis proves conclusively that the bomb that brought down the plane was introduced at Heathrow airport and not at Malta as claimed Key Selling Points Published on the 25th anniversary of the Lockerbie disaster which happened on

21st December 1988 Morag has been Secretary Depute of Justice for Megrahi since 2010 and is the author of the widely acclaimed pamphlet *Lockerbie Fact and Fiction* On 23rd December 1988 Morag was driving on the A74 This was the stimulus for her research into the subject *Air Crash Investigations* Allistair Fitzgerald,2010-10-16 On the 21st of December 1988 PANAM Flight 103 a Boeing 747 121 on its way from London Heathrow to New York was blown up over the town of Lockerbie Scotland All 259 persons on board of the aircraft and 11 residents of the town of Lockerbie were killed In 2001 the Libyan Megrahi was sentenced to life imprisonment in Scotland In 2009 Megrahi applied to be released from jail on compassionate grounds His appeal was granted and on the 20th of August 2009 he was released from prison But was Megrahi really guilty **IC Master** ,2000 **The Lockerbie Trial** John Grant,2004-02-25 This book traces the history of the Lockerbie incident from the evening it occurred on 21 December 1988 through the trial and subsequent appeal to the discontinuance of Libya s conflict against the United States and the United Kingdom in the International Court on September 10 2003 It provides the core legal texts relevant to the trial and appeal and to the associated International Court conflict An introductory chapter analyzes the sequence of events establishing that international terrorists are best dealt with in national courts and not in the international courts and tribunals States should be prepared to think outside the box when exercising national jurisdiction as the U K did in arranging a trial in another country and with judges replacing a jury as the fact finders Documents in this work include the petition for arrest the indictment the demands of the U K and U S for the surrender of the two Libyan suspects for trial the Libyan response to these demands the various Security Council resolutions endorsing these demands the trial and the appeal judgments and the order on provisional measures and the judgment on preliminary objections of the International Court of Justice The documents are collected into four parts Part 1 The Investigation and the Identification of the Accused contains documents from the date of the tragedy to the time of the Scottish warrants to arrest the two Libyans and the U S indictment in November 1991 Part 2 Getting the Accused to Trial has documents from the end of 1991 to and slightly beyond the surrender of the two Libyans for trial in April 1999 generally concerning the moves within the United Nations to have the two Libyan suspects surrendered for trial This part also contains reports of two Scottish cases involving allegations of contempt of court and attempts by the BBC to televise the trial Part 3 The Trial and the Appeal contains the trial verdict and the reasons for it the grounds of appeal and the appeal judgment plus critiques of the verdict and the appeal decision It covers the period from late 1999 to September 2003 when Libya was acknowledged as having met the demands originally made in 1991 92 Part 4 Meanwhile at the International Court contains documents from March 1992 to September 2003 relating to the conflict raised by Libya against the U S and U K relating to the Lockerbie incident

Lockerbie Rodney Wallis,2000-11-30 The explosion of Pan Am Flight 103 over Lockerbie Scotland in December 1988 should never have happened Wallis who has extensive direct personal knowledge of aviation security matters gained from his position at the crossroads of security information and the industry s endeavors to combat aviation terrorism had warned the

industry one year before the bombing that the interline element of baggage represented the prime opportunity for terrorist activity and had urged the adoption of passenger and baggage matching a system that he had helped to develop Mandated by the FAA for use at high risk airports it was the feature missing from Pan Am s activity at Frankfurt an omission so cruelly exploited by the bombers Wallis argues that the priority given by governments to technological solutions to the continuing terrorist threat puts the flying public at unnecessary risk every day This volume brings together all of the facts surrounding the sabotage of Flight 103 including the investigation and the civil litigation in which so much of the story unfolded for the first time It uncovers the fundamental weaknesses in Pan Am s communication and management policies Wallis supports the policy that politics are politics and explores the possibility that U S and U K policy towards a neutral trial for the two Libyans indicted for the bombing which may have been affected by the wider scenario of Middle East politics rather than simple justice for the victims of Lockerbie Although the tragedy has led to improvements in defense technology for use against acts of aviation sabotage these methods have yet to be applied universally Spycraft Robert Wallace, Harold Keith Melton, 2008 An insider s tour of the past half century s espionage technologies also recounts some of the CIA s most secretive operations and how they have been performed using state of the art spy instruments **Fundamentals of International Aviation** Suzanne K. Kearns, 2021-03-21 International aviation is a massive and complex industry that is crucial to our global economy and way of life Designed for the next generation of aviation professionals Fundamentals of International Aviation second edition flips the traditional approach to aviation education Instead of focusing on one career in one country it introduces readers to the air transport sector on a global scale with a broad view of all the interconnected professional groups This text provides a foundation of how aviation works in preparation for any career in the field including regulators maintenance engineers pilots flight attendants airline and airport managers dispatchers and air traffic controllers among many others Each chapter introduces a different cross section of the industry from air law to operations security to environmental impacts A variety of learning tools are built into each chapter including 24 case studies that describe an aviation accident related to each topic This second edition adds new learning features geographic representation from Africa a new chapter on economics full color illustrations and updated and enhanced online resources This accessible and engaging textbook provides a foundation of industry awareness that will support a range of aviation careers It also offers current air transport professionals an enriched understanding of the practices and challenges that make up the rich fabric of international aviation

Megrahi: You Are My Jury John Ashton, 2012-02-01 Casts grave doubt on the validity of Abdelbaset Al Megrahi s conviction as the Libyan terrorist responsible for blowing up Pan Am Flight 103 Arab News You know me as the Lockerbie bomber I know that I m innocent Here for the first time is my true story how I came to be blamed for Britain s worst mass murder my nightmare decade in prison and the truth about my controversial release Please read it and decide for yourself You are now my jury Abdelbaset al Megrahi This long awaited book argues that far from being an unrepentant terrorist

Abdelbaset al Megrahi was the innocent victim of dirty politics a flawed investigation and judicial folly Based on exclusive interviews with Megrahi himself and conclusive new evidence it destroys the prosecution case and puts the Scottish criminal justice system in the dock Megrahi You Are My Jury makes a compelling argument that the murderers of the 270 Lockerbie victims were acting on behalf of an entirely different government rather than Colonel Gadafy and Libya Abdelbaset al Megrahi the convicted Lockerbie bomber who died earlier this year of cancer never stopped seeking to clear his name and this book written by one of the lead researchers on Megrahi s appeal with the Megrahis collaboration documents perceived weaknesses of the Scottish state s case Ashton s analysis of the evidence though clearly partisan is exhaustive and fascinating highlighting how Megrahi s trial exemplified a rush to judgment viewed by many jurists as a miscarriage of justice Publishers Weekly
