Touch Me John Prockner, 2002-07-24 This book is written hoping that in some way it will touch you. Maybe have you open your heart again. Perhaps rekindle love or let you realize that Love is the key. Most poems and lyrics are written about Love from an infatuation to a world beyond Heart and Soul. If just one person is touched in some way then this book is a success.

Courage of a Medicine Woman Laura Troester, 2010-07-06 Settled high on a Mountain, Mighty Arrow was Chief of his people and was married to Falling Leaf. They had a big family of four girls. Falling Leaf had given birth to another daughter. They named her Bright Star. Bright Star announced one day that she wanted to become the next medicine woman of her village. Falling Leaf knew only men were Shamans. That did not discourage Bright Star. As Bright Star grew up, she had to battle an attack on her village and being captured. Almost being raped and the loss of her first child, she became ill. Almost every time something happened to Bright Star, she underwent some kind of initiation. Every time she came back, Little Eagle was right by her side. Together they could go through anything that got in their way.
