*Touching Heaven* Leanne Hadley, 2013-06-01 Children have always been close to the heart of God It is when children are sick even dying that they can suddenly bring us closer to God ourselves Children s minister and former children s hospital chaplain Leanne Hadley has been ministering to hurting children for years In *Touching Heaven* she recounts the poignant stories and simple faith of the remarkable children she has been privileged to serve She shares their encounters with God Jesus and angels And with humor and tenderness she offers their inspiring testimonies to the presence of God in our lives even as earthly life is ending Anyone who has lost a child or another loved one or anyone who is currently supporting a dying person along the journey will find in these stories comfort inspiration and hope of everlasting life *Touching Heaven* Dr.

Chauncey Crandall, 2015-09-15 How a doctor s glimpses of eternity confirmed everything he believed about God suffering life on earth and what happens after death Dr Chauncey Crandall knows his patients well When they are dying he sits at the bedside with them and holds their hands He prays with them Sometimes he can feel what they feel and see what they see At other times his patients have near death experiences and come back with astonishing descriptions of the afterlife In *TOUCHING HEAVEN* Dr Crandall reveals how what he has seen and heard has convinced him that God is real that we are created for a divine purpose that death is not the end that we will see our departed loved ones again and that we are closer to the next world than we think ***Touching Stories of My Life in Journey to Christian Holiness and Hands- on***

***Patient Care in a Weeping Healthcare*** Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series *Christianity and the Human Brain* It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted

medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about More Stories to Touch the Heart Russ Lawson,2008-02-01 This book is full of stories some true happenings

Crane,2010-09-01 Who is This Even the Wind and the Waves Obey Him Mark 4 41 Who is Jesus What did he come to accomplish And what difference does it make in the way I live my life You will find the answers to these and other questions in this homiletical commentary by expository preacher and Bible college professor Steven Crane The Gospel of Mark is the gospel about the good news of Jesus Christ It is a fast paced action packed book as is this scholarly yet highly readable commentary Readers will gain a new appreciation for the content the organization and the often overlooked writing techniques incorporated by Mark into his narrative and will be invited to apply Scripture in their personal

INSTANT NEW YORK TIMES BESTSELLER NATIONAL BESTSELLER An intimate window into the world of American evangelicalism Fellow exvangelicals will find McCammon s story both startlingly familiar and immensely clarifying while those looking in from the outside can find no better introduction to the subculture that has shaped the hopes and fears of millions of Americans Kristin Kobes Du Mez New York Times bestselling author of *Jesus and John Wayne* The first definitive book that names the growing social movement of people leaving the church the exvangelicals Growing up in a deeply evangelical family in the Midwest in the 80s and 90s Sarah McCammon was strictly taught to fear God obey him and not question the faith Persistently worried that her gay grandfather would go to hell unless she could reach him or that her Muslim friend would need to be converted and that she too would go to hell if she did not believe fervently enough McCammon was a rule follower and most of the time a true believer But through it all she was increasingly plagued by fears and deep questions as the belief system she d been carefully taught clashed with her expanding understanding of the outside world After spending her early adult life striving to make sense of an unraveling worldview by her 30s she found herself face to face with it once again as she covered the Trump campaign for NPR where she witnessed first hand the power and influence that evangelical Christian beliefs held on the political right Sarah also came to discover that she was not alone she is among a rising generation of the children of evangelicalism who are growing up and fleeing the fold who are thinking for themselves and deconstructing what feel like the alternative facts of their childhood Rigorously reported and deeply personal *The Exvangelicals* is the story of the people who make up this generational tipping point including Sarah herself Part memoir part investigative journalism this is the first definitive book that names and describes the post evangelical movement identifying its origins telling the stories of its members and examining its vast cultural social and political impact
