Toward a Growing Marriage Gary D. Chapman, 1979 Marital Bliss My wife is a nag My husband thinks I m his slave We just don t love each other anymore Common phrases in an all too common world of marital failure We hear them everyday from our co workers our friends and even ourselves The separation and divorce rate among Christian couples continues to rise while thousands of other Christian couples continue to live together in something far less than the abundant life that Jesus promised Is your marriage turning out differently than you expected Are all of today s alarming statistics making you wary of ever getting married Well you are not alone In *Toward a Growing Marriage* Dr Chapman offers the hope you ve been looking for The author of the best selling book *The Five Love Languages* will help you get your marriage off to a good start or back on the right track with advice that is both biblical and practical Part of the problem according to Dr Chapman is that too many times our churches have focused on the negative biblical directives when teaching about marriage We need to know more than to not marry a non believer and to save sex for marriage We need to know how to succeed *Toward a Growing Marriage* is divided into two sections in order to help two different audiences succeed those who are in the process of finding a spouse who will be a fitting or suitable marriage partner those who have already said I do and are trying to fulfill that commitment Marital happiness is not automatic but the practical application of Dr Chapman s helpful information will put couples well on their way to successful and fulfilling marriages Barnes Noble

'Til Debt Do Us Part Julie Ann Barnhill, 2002-07-01 If financial shortcomings are driving a wedge between you and your spouse you may be one of the thousands of husbands and wives who while knowing all sorts of money management do s and don ts still haven t been able to keep off the emotional roller coaster of out of control finances Freely sharing the been there still am sometimes foibles of her own marriage Julie Barnhill offers liberal doses of humor along with solid principles from God s word to help you come clean about the real issues the heart issues that keep you and your spouse in discontent and budget bondage Move toward honesty healing and real life change

Preparing Couples for Love and Marriage Cameron Lee, James L. Furrow, 2013-10-15 Good preparation enables couples to take a first step together in facing their future challenges While no one can smooth away all the rough spots in the marital road ahead couples can be coached to pay attention to warning signs see the bumps before they hit them and deal more skillfully with inevitable conflicts This book provides pastors with a framework and tools for this ministry The good news is that you don t need any formal background in counseling because the kind of work we re talking about isn t counseling it s coaching a coach who can help couples to respond positively to the differences between them It s not about having the answers but is it about helping couples manage difficulties before they become serious threats to the marriage
