Towards The Abolition Of Whiteness Haymarket Series

David R. Roediger

Towards The Abolition Of Whiteness Haymarket Series:

Towards the Abolition of Whiteness David R. Roediger, 1994-03-17 Counting the costs of whiteness in the American past and present

The Rise and Fall of the White Republic Alexander Saxton, 2003 Saxton asks why white racism remained an ideological force in America long after the need to justify slavery and Western conquest had disappeared

Mormon Settler Colonialism Elise Boxer, 2025-10-28 Although the idea of the Lamanite is foundational to Mormon discourse the formation and dissemination of this constructed identity has not been examined in broader terms of colonialism and the cultural genocide of Indigenous peoples This provocative book deepens the intersection of Mormonism race

Indigeneity and colonialism in a critical and necessary direction Go Ye and Study the Beehive Jeannette

Rodda, 2021-12-12 First published in 2000 More than any other occupation the long history of mining raises issues of class and dependency of men women and children bound to permanent wage work or forced labor underground with small hope of securing an independent living Like all popular images perceptions of workers reveal as much about the nature of the dominant culture as about the complex experiences of workers themselves The main purpose of this study is to document and analyze the development of working class culture in the mining camps of the American West

No Middle Ground Erin L. Murphy, 2019-12-17 In No Middle Ground Anti Imperialists and Ethical Witnessing During the Philippine American War Erin L. Murphy argues that activists in the Anti Imperialist movement against the Philippine American War led by the Anti Imperialist League followed an evolving path of ethical witnessing where leaders empathically considered the experience of imperialist violence as it was expressed by marginalized anti imperialists Murphy explores how the perspectives of marginalized anti imperialists like white women black women and men and Filipino as led Anti Imperialist League leaders who were predominantly white men of some prominence to evolve their activism from focusing on defending the U S Constitution through electoral politics and the legality of U S Empire to exposing the imperialist violence committed by the U S military as crimes against fundamental human rights Activists believed that advocating for human rights held true to the principles in the U S Constitution while U S Empire only dismembered it Murphy further analyzes the ways in which Anti Imperialist League leaders and supporters began forming other organizations based on the principles of advocating for human rights and liberty such as the National Association for Colored People Women s International League for Peace and Freedom National Consumers League American Civil Liberties Union and the Ethical Society

Masculinity in Vietnam War Narratives Brenda M. Boyle, 2014-01-10 Occurring alongside the Women s Rights Gay Rights Civil Rights and other identity movements of the 1960s the Vietnam War was part of an era that rescripted gender and other social identity roles for many if not most Americans This book examines the ways in which the war and its accompanying movements greatly altered traditional American conceptions of masculinity as reflected in discourses ranging from fictional narratives to memoirs films and military recruiting advertisements Analysis of two canonical fiction texts John Del Vecchio s The 13th Valley and Bobbie

Ann Mason's *In Country* illustrates the interrelatedness of race sexuality disability and masculinity an approach appearing in no other book length study The text illustrates how decades later the masculine anxieties of the Vietnam era persist

White on White/Black on Black George Yancy, 2005-03-25 *White on White Black on Black* is a unique contribution to the philosophy of race The book explores how fourteen philosophers seven white and seven black philosophically understand the dynamics of the process of racialization Combined the contributions demonstrate different and similar conceptual trajectories of raced identities that emerge from within and across the racial divide Each of the fourteen philosophers who share a textual space of exploration name blackness whiteness revealing significant political cultural and existential aspects of what it means to be black white Through the power of naming and theorizing whiteness and blackness *White on White Black on Black* dares to bring clarity and complexity to our understanding of race identity

New Approaches to the Comparative Abolition in the Atlantic and Indian Oceans Jesús Sanjurjo, Manuel Barcia, 2023-05-08 Taking the theme of abolition as its point of departure this book builds on the significant growth in scholarship on unfree labour in the Atlantic and Indian Ocean worlds during the past two decades The essays included here revisit some of the persistent problems posed by the traditional comparative literature on slavery and indentured labour and identify new and exciting areas for future research This book is intended for a broad audience including scholars students as well as for a general readership who have specific interests in the history of the slave trade slavery and imperial history It was originally published as a special issue of the journal *Atlantic Studies Global Currents*

The Wages of Whiteness David R. Roediger, 1999 *THE WAGES OF WHITENESS* provides an original study of the formative years of working class racism in the United States In an Afterword to this second edition Roediger discusses recent studies of whiteness and the changing face of labor itself then surveys criticism of his work He accepts the views of some critics but challenges others

Ibss: Political Science: 1994 British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences
