While searching the woods for his missing son, Liam, instead, he finds a woman lying on the river bank. He picks her up, wondering what happened to her and if it has anything to do with his missing son. To his dismay, Liam finds out that his son is being controlled by witches, and Emily might be able to help him. Will he be able to convince her to stay long enough to save his son? Or will the spell be too strong for them to break?
