Violin Varnish How To Make It:

VIOLIN VARNISH AND HOW TO MAKE IT GEORGES. FOUCHER, 2018 *Violin Varnish and How to Make It* Georges Foucher, 2018-11-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Violin Varnish** Joseph Michelman, 2011-03-23 After more than eight years of extensive research on the varnish used by the Italian Violin Makers from 1550 to 1750 A D it has not been possible to corroborate the results in the chemical laboratory This is due entirely to the unavailability of samples of the varnish for confirmatory analysis Violins made by the Italian masters of this period are so valuable and so scarce that a small sample of the varnish has not been procurable for experimental purposes Therefore synthesis must precede analysis and with no assistance from the latter This then will explain the sub title of this book as A Plausible Re creation of the Varnish Used by the Italian Makers Between the Years 1550 and 1750 A D However the results of this investigation are so logical and so deeply supported by a vast amount of convincing evidence that publication of the book is in order First possibly the findings will be confirmed or otherwise by investigators who may be more fortunate in having access to material from authentic violins made by the old masters Confirmatory chemical tests will be suggested it should be comparatively simple especially through modern micro analytical methods to determine the presence of certain constituents in the varnish The subject matter of this book will of necessity become technical especially when the theoretical aspects are considered It is realized that not everyone who will be interested in the rediscovery of the old Italian varnish will also be interested in the scientific deductions and conclusions For this reason a chapter will be included in which the preparation of the materials from which the varnish is made the formulation of the varnish and its application will be reduced to the simplest terms The old masters who lived several hundred years ago and who possessed none of the advantages of modern technology also used only the simplest technique in varnishing and finishing their violins The Strad ,1901 **Violin Varnish** G. Foucher, Sr., Paul M. Fleury, 2014-10-02 First published in Britain in 1911 this handy little book has excellent references to how to make varnish especially as it pertains to the stringed instrument family Covers both the oil and spirit finishes with some nice examples of formulas you may want to use Also focused on is the purchasing of the correct and best materials that you can find 6x9 glossy cover Edition Fleury 2014 *Violin-making, as it was and is* Edward Heron Allen, 1884 **The Manual of Musical Instrument**

Conservation Stewart Pollens, 2015-07-09 This is the first book to combine museum based conservation techniques with practical instructions on the maintenance repair adjustment and tuning of virtually every type of historical musical instrument As one of the world s leading conservators of musical instruments Stewart Pollens gives practical advice on the handling storage display and use of historic musical instruments in museums and other settings and provides technical information on such wide ranging subjects as acoustics cleaning climate control corrosion disinfestation conservation ethics historic stringing practice measurement and historic metrology retouching tuning historic temperaments varnish and writing reports There are informative essays on the conservation of each of the major musical instrument groups the treatment of paper textiles wood and metal as well as historic techniques of wood and metalworking as they apply to musical instrument making and repair This is a practical guide that includes equations formulas tables and step by step instructions *The Violinist* ,1917 **Wood Craft** ,1908 *The Musical Standard* ,1868
