THE BIRDS FALL DOWN REBECCA WEST,1966 Virago Reprints and Modern Classics D-M Withers,2021-05-20

Reprinting republishing and re covering old books in new clothes is an established publishing practice How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely This Element outlines three historical textures within British culture of the late 1970s and early 1980s History Remembrance and Heritage that enabled Virago s reprint publishing to become a commercial and cultural success With detailed archival case studies of the Virago Reprint Library Testament of Youth and the Virago Modern Classics it elaborates how reprints were profitable for the publisher and moved Virago s books and the Virago brand name from the periphery of culture to the centre Throughout Virago s reprint publishing and especially with the Modern Classics the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace

All my sense of the ancient world its values its style the scent of its wars and passions comes from Mary Renault Her Theseus novels are perhaps the most exciting of her Greek fictions and The Last of the Wine the most moving I turned to writing historical fiction because of something I learned from Renault that it lets you shake off the mental shackles of your own era all the categories and labels and write freely about what really matters to you EMMA DONOGHUE Mary Renault s portraits of the ancient world are fierce complex and eloquent infused at every turn with her life long passion for the Classics Her

characters live vividly both in their own time and in ours MADELINE MILLER Combining the scholarship of a historian with the imagination of a novelist Mary Renault masterfully brings the ancient world to life in this page turning drama of the Peloponnesian War Alexias a young Athenian of good family comes of age during the last phases of the Peloponnesian War The adult world he enters is one in which the power and influence of his class have been undermined by the forces of war Alexias finds himself drawn to the controversial teachings of Socrates following him even though it at times endangers both his own life and his family s place in society Among the great teacher s followers Alexias meets Lysis and the two youths become inseparable together they wrestle in the palaestra journey to the Olympic Games and fight in the wars against Sparta As their relationship develops against the background of famine siege and civil conflict Mary Renault expertly conveys the intricacies of classical Greek culture Mary Renault is a shining light to both historical novelists and their readers She does not pretend the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us HILARY MANTEL The most vivid and convincing reconstruction of ancient Greek life that I have ever seen Sunday Times **Waterstone's Guide to Books** Waterstone & Co., Ltd,1989 *Para Perempuan Perkasa* Ready Susanto,2023-03-07 **The King Must Die** Mary Renault,2015-03-05 Mary Renault s portraits of the ancient world are fierce complex and eloquent infused at every turn with her life long passion for the Classics Madeline Miller bestselling author of *Circe* The true parentage of Theseus grandson of the King of Troizon has always been shrouded in mystery Rumours swirl that his father is Poseidon himself But when he learns the truth that he is the son and heir of Aegeus King of Athens Theseus sets out on a quest to claim his birthright But his journey is a perilous one from encounters with bandits to marriage to the Queen of Eleusis whose consort is sacrificed each year and finally to the labyrinthine palace of King Minos on Crete There Thesues must enlist the help of high priestess Ariadne in a darling plan to slay the Minatour and free his people Thrilling immersive and gorgeously told Mary Renault s classic novel is a unforgettable reimagining of the timeless Greek myth Mary Renault is a shining light to both historical novelists and their readers Hilary Mantel bestselling author of *Wolf Hall* This brilliant retelling of the story of Theseus the king of Athens brings Greek mythology vividly to life and remains one of the truly fine historical novels of modern times New York Times
