Visceral Manipulation Revised Edition

James Earls, Thomas Myers

Visceral Manipulation Revised Edition:

Planet Medicine: Modalities, Revised Edition Richard Grossinger, 2000 Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context In this edition additions to this classic text include a section on Reiki a comparison of types of palpation used in healing updates on craniosacral therapy and a means of understanding how different alternative medicines actually work Illustrated throughout this is the standard on the history philosophy and anthropology of this subject *Visceral Manipulation* J. P. Barral, 1988 **Fascial Release for Structural Balance, Revised Edition** Thomas Myers, James Earls, 2017-06-27 Unlock the power of fascial release the ultimate guide to structural balance and pain relief From the creator and bestselling author of *Anatomy Trains Myofascial Meridians for Manual and Movement Therapists* This thoroughly revised edition of the authoritative reference *Fascial Release for Structural Balance* brings the book up to date with all of the most current research on the role of fascia and myofascia in the body and how treatment affects it This edition takes advantage of more sophisticated testing to explore in greater detail the relationship between anatomical structure and function making it an even more essential guide Offering a detailed introduction to structural anatomy and fascial release therapy including postural analysis complete technique descriptions and the art of proper assessment of a patient through bodyreading the book features 150 color photographs that clearly demonstrate each technique The authors both respected bodywork professionals give any bodywork practitioner using manual therapy including physiotherapists osteopaths chiropractors myofascial and trigger point therapists and massage therapists the information they need to deliver effective treatments and create long lasting systemic change in clients shape and structure Fascia the soft tissue surrounding muscles bones and organs plays a crucial role in supporting the body By learning to intelligently manipulate it a bodyworker or therapist can help with many chronic conditions that their clients suffer from providing immediate pain relief as well as reducing the strains that may contribute to the patient s ongoing aches and pains leading to rapid effective and lasting pain relief James Earls and Thomas Meyers argue that approaching the fascia requires a different eye a different touch and tissue specific techniques *Biodynamic Craniosacral Therapy, Volume Four* Michael J. Shea, Ph.D., 2012-04-17 Interest in craniosacral therapy has exploded in recent years not surprising given its gentle effective approach to working on the spine and the skull and its cranial sutures diaphragms and fascias The treatment focuses on the 92 percent of the human body composed of living water rather than the eight percent that most therapies address Building on the previous books which explored underlying principles differentiating the components of the practice and combining theory and practice this volume illustrates the evolution of craniosacral therapy over the past 30 years More than 50 hand positions are presented in detailed photographs many with multiple views each of which can be used immediately and effectively Additional chapters focus on the correct use and boundaries of the therapist s hands a precise sequence to follow when practicing biodynamically and working with the therapist s perception of the therapeutic process Written for

practitioners in the fields of massage mental health complementary and alternative medicine and chiropractics this book like the others in the series is equally useful read on its own or in sequence **Planet Medicine: Origins, Revised Edition** Richard Grossinger,2013-03-26 Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context In this edition additions to this classic text include a section on Reiki a comparison of types of palpation used in healing updates on craniosacral therapy and a means of understanding how different alternative medicines actually work Illustrated throughout this is the standard on the history philosophy and anthropology of this subject **Foundations of Osteopathic Medicine** Kurt P.
