Visions Of Reform Congregation Emanu El And The Jews Of San Francisco 1849 1999:

Visions of Reform Fred Rosenbaum, 2000-01-01 *Jewish Voices of the California Gold Rush* Ava Fran Kahn, 2002 A history of the founding of California's Jewish community during the Gold Rush **Jewish San Francisco** Edward Zerlin, 2006 In San Francisco the instant city of the gold rush days Jews were pioneers among pioneers Some came as immigrants directly from Europe others as resettled adventurers from the East Coast and still others as scions of southern Sephardic families Out of this mixed multitude emerged a community with synagogues and institutions to care for the needy and the sick along with a dignified social fabric New immigrants following the Russian pogroms of 1883 were absorbed and the ashen ruins from the 1906 earthquake were rebuilt The city's cultural treasures and social needs were enriched and the city's Jews were nurtured by civic commitments Today's 70 000 San Francisco Jews standing upon the shoulders of pioneering giants continue to build and rebuild *The Women Who Reconstructed American Jewish Education, 1910-1965* Carol K. Ingall, 2010 The first volume to examine the contributions of women who brought the forces of American progressivism and Jewish nationalism to formal and informal Jewish education **A Cultural History of Jews in California** Bruce Zuckerman, William Deverell, Lisa Ansell, 2009 With this volume of the Casden Annual Review we continue our policy of focusing on a single topic and in this case the topic we have turned to is quite literally close to home the Jewish role in California life The aim of this volume is to stress the cultural aspects of the Jewish experience of coming to and living in the Golden State While we cannot hope to present in this limited venue a comprehensive and detailed history of Jews in California per se it is our goal to consider a number of insightful perspectives on how the Jews who settled in California helped shape the Golden State's culture and were in turn themselves molded by cultural influences that were uniquely Californian While this volume looks at the Jewish experience in California in general nonetheless particular emphasis is placed on Southern California We begin our cultural history at a crucial moment in California history the mid nineteenth century in the after glow of the California Gold Rush where we encounter a European Jewish emigrant fresh off the boat who can and did get a chance to make a fortune in the pueblo of Los Angeles and in doing so helped define what California is We conclude it with a personal meditation from one of the latest group of refugees to come to the west the Iranian Jews who were forced out of their ancient homeland some thirty years ago and who found in Southern California a particularly hospitable yet no less difficult place to transplant their cultural roots In between we are treated to a few choice snapshots of how life developed and changed for Jews in California as California itself evolved and grew We firmly believe that there is something special about the Jewish role in California and even more so in Southern California that here on the lower left coast Jews have had an Americanization experience that is significantly different from that which Jews have had elsewhere in the USA Conversely Southern California would be quite a different place without the Jews who made it their home Book jacket American Reform Judaism Dana Evan Kaplan, 2003-04-29 The only comprehensive and up to date look at Reform

Judaism this book analyzes the forces currently challenging the Reform movement now the largest Jewish denomination in the United States To distinguish itself from Orthodox and Conservative Judaism the Reform movement tries to be an egalitarian open and innovative version of the faith true to the spirit of the tradition but nonetheless fully compatible with modern secular life Promoting itself in this way Reform Judaism has been tremendously successful in recruiting a variety of people intermarried families feminists gays and lesbians and interracial families among others who resist more traditional forms of worship As an unintended result of this success the movement now struggles with an identity crisis brought on by its liberal theology which teaches that each Jew is free to practice Judaism more or less as he or she pleases In the absence of the authority that comes from a theology based on a commanding all powerful God can Reform Judaism continue to thrive Can it be broadly inclusive and still be uniquely and authentically Jewish Taking this question as his point of departure Dana Evan Kaplan provides a broad overview of the American Reform movement and its history theology and politics He then takes a hard look at the challenges the movement faces as it attempts to reinvent itself in the new millennium In so doing Kaplan gives the reader a sense of where Reform Judaism has come from where it stands on the major issues and where it may be going Addressing the issues that have confronted the movement including the ordination of women acceptance of homosexuality the problem of assimilation the question of rabbinic officiation at intermarriages the struggle for acceptance in Israel and Jewish education and others Kaplan sheds light on the connection between Reform ideology and cultural realities He unflinchingly yet optimistically assesses the movement's future and cautions that stormy weather may be ahead

The Self-Renewing Congregation Isa Aron, 2012-12-06 How can my congregation become more vital How can we both honor the past and embrace the future The Self Renewing Congregation calls for renewal from within not without a renewal that begins with institutional self reflection proceeds through a process of self engagement and ends with self generated innovations that can deepen the synagogue congregation as a sacred community The core of this book offers any congregation seeking this path a compelling and realistic roadmap a vision and a process that is rooted in applied research and practical experience from the Foreword by Dr Ron Wolfson codeveloper Synagogue 2000 author of Shabbat The Family Guide to Preparing for and Celebrating the Sabbath Revitalizing and re imagining the organization of our synagogues takes work Combining expert advice and experience garnered from congregations throughout North America The Self Renewing Congregation shows us how transformative change is possible A complete resource full of ideas information and support this is a guide for those of us involved in or interested in energizing our spiritual communities Isa Aron founding director of Hebrew Union College's Experiment in Congregational Education ECE offers concrete practical information on how to bring about change through collaborative leadership and helps us grow dynamic successful congregations [The First to Cry Down Injustice](#) Ellen Eisenberg, 2008-01-01 Although American Jews had already embraced the principle of fighting prejudice in all forms western Jews often did not apply it to specific local issues involving Japanese Americans during World War II In

The First to Cry Down Injustice Eisenberg analyzes the range of Jewish responses including silence opposition to and support for the policy to the mass removal of Japanese Americans as the product of a distinctive western ethnic landscape

Encyclopedia of American Jewish History Stephen H. Norwood, Eunice G. Pollack, 2007-08-28 Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America's Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world's leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America's wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public **Empress San Francisco** Abigail M. Markwyn, 2021-03-01 When the more than eighteen million visitors poured into the Panama Pacific International Exposition in San Francisco in 1915 they encountered a vision of the world born out of San Francisco's particular local political and social climate By seeking to please various constituent groups ranging from the government of Japan to local labor unions and neighborhood associations fair organizers generated heated debate and conflict about who and what represented San Francisco California and the United States at the world's fair The Panama Pacific International Exposition encapsulated the social and political tensions and conflicts of pre World War I California and presaged the emergence of San Francisco as a cosmopolitan cultural and economic center of the Pacific Rim Empress San Francisco offers a fresh examination of this one of the largest and most influential world's fairs by considering the local social and political climate of Progressive Era San Francisco Focusing on the influence exerted by women Asians and Asian Americans and working class labor unions among others Abigail M Markwyn offers a unique analysis both of this world's fair and the social construction of pre World War I America and the West
