STEP 1

CHOOSING TOPIC & IDEAS

Before you write, your teacher gives you a specific assignment to write about. If not, choose your topic yourself.

When you have a topic, think about what you will write about that topic.

STEP 2

ORGANISE

Decide which of the ideas you want to use and where you want to use them.

Choose which idea to talk first, which to talk about next, and which to talk about last.

STEP 3

WRITE

Write your paragraph or essay from start to finish. Do not stop till you're done.

Use your notes about your ideas and organisation while writing.

STEP 4

REVIEW & REVISE

Check what you have written. Read your writing silently to yourself or aloud, perhaps to a friend.

Check your spelling and grammar and think about the words you have chosen to use.
