Vitality Supreme Bernarr Macfadden, 2018-07-03 Vitality Supreme By Bernarr Macfadden The war cry of to day in peace no less than in war is for efficiency We need stronger more capable men healthier superior women Force is supreme the king of all mankind And it is force that stands back of efficiency for efficiency first of all means power It comes from power and power either comes directly from inheritance or it is developed by an intelligent application of the laws that control the culture of the physique The value of efficiency is everywhere recognized The great prizes of life come only to those who are efficient Those who desire capacities of this sort must recognize the importance of a strong enduring physique The body must be developed completely splendidly The buoyancy vivacity energy enthusiasm and ambition ordinarily associated with youth can be maintained through middle age and in some cases even to old age If your efforts are to be crowned with the halo of success they must be spurred on by the pulsating throbbing powers that accompany physical excellence These truly extraordinary characteristics come without effort to but few of us but they can be developed attained and maintained We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Religious Freedom Restoration Act of 1991* United States.
