What Makes A Man 22 Writers Imagine The Future:

What Makes a Man Rebecca Walker, 2005 A timely and profound anthology from the national bestselling author of *Black White and Jewish* Representing a stunning range of essayists and novelists both men and women this groundbreaking anthology boldly confronts the complications possibilities uncertainties and joys of being a man in the 21st century **New Philosophies of Sex and Love** Sarah LaChance Adams, Christopher M. Davidson, Caroline R. Lundquist, 2016-11-30 Our amorous and erotic experiences do not simply bring us pleasure they shape our very identities our ways of relating to ourselves each other and our shared world This volume challenges some of our most prevalent assumptions relating to identity the body monogamy libido sexual identity seduction fidelity orgasm and more In twelve original and philosophically thought provoking essays the authors reflect on the broader meanings of love and sex what their shifting historical meanings entail for us in the present how they are constrained by social conventions the ambiguous juxtaposition of agency and passivity that they reveal how they shape and are formed by political institutions the opportunities they present to resist the confines of gender and sexual orientation how cultural artefacts can become incorporated into the body and how love and sex both form and justify our ethical world views Ideal for students both in philosophy and gender studies this highly readable book takes us to the very heart of two of the most important dimensions of human experience and meaning making to the seductive and alluring confusing and frustrating realms of love and sex *Men Speak Out* Shira Tarrant, 2013-02-11 *Men Speak Out* Views on Gender Sex and Power Second Edition highlights new essays on pornography pop culture queer identity Muslim masculinity and the war on women With personal candor and political insight this collection of diverse authors explores sex work digital activism incarceration domestic violence surviving incest and standing firmly as male allies facing the backlash against women s reproductive rights Featuring eleven new essays and six revised thematic sections this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change The contemporary compelling essays in *Men Speak Out* appeal to students scholars activists and everyday readers *The Purity Myth* Jessica Valenti, 2009-03-24 From the bestselling author of *Sex Object* a searing investigation into American culture s obsession with virginity and the argument for creating a future where women and girls are valued for more than sexuality The United States is obsessed with virginity from the media to schools to government agencies In *The Purity Myth* Jessica Valenti argues that the country s intense focus on chastity is damaging to young women Through in depth cultural and social analysis Valenti reveals that powerful messaging on both extremes ranging from abstinence only curriculum to *Girls Gone Wild* infomercials place a young woman s worth entirely on her sexuality Morals are therefore linked purely to sexual behavior rather than values like honesty kindness and altruism Valenti sheds light on the value and hypocrisy around the notion that girls remain virgins until they re married by putting into context the historical question of purity modern abstinence only education pornography and public punishments for those
