When Time Began V Of The Earth Chronicles The Earth Chronicles:

When Time Began (Book V) Zecharia Sitchin, 1994-03-01 Night and day month after month year after year our ancestors dutifully recorded the passage of time on clay tablets watching the heavens from stage towers and pyramids and from megalithic monuments whose incredible size and precise architecture boggle the mind Who were the builders of these mysterious structures What was their purpose Whose signature is indelibly written on these timeless stones and who was the Divine Architect Why was Stonehenge and its likes built by ancient civilizations at the very same time 4 100 years ago What is their message for our time With these questions in mind Zecharia Sitchin renowned researcher of past ages takes us on a journey through the records of time in this the fifth book of his Earth Chronicles series Drawing deeply on Sumerian and Egyptian writings millenia old artifacts and sacred architecture ranging from ancient Mesopotamia to pre Columbian civilizations in the Americas this bestselling scholar provides astounding insights into the origins of the calendar astronomy and astrology He takes readers to the climax circa 2100 b c when Marduk the Babylonian national god attained supremacy on Earth and proclaimed the New Age of Aries after which society religion science and the status of women were never the same

When Time Began Zecharia Sitchin, 2007-03-27 They came to Earth thousands of years ago to usher in mankind's first New Age of scientific growth and spiritual enlightenment Under the guidance of these ancient visitors from the heavens human civilisation flourished as revolutionary advances in art science and thought swept through the inhabited world And they left behind magnificent monuments baffling monoliths and awesome towering structures that stand to this day as testaments to their greatness In this extraordinarily documented meticulously researched work Zecharia Sitchin draws remarkable correlations between the events that shape our civilisation in millennia past pinpointing with astonishing accuracy the tumultuous beginning of time as we know it and revealing to us the indisputable signature of extraterrestrial god indelibly written in stone

Wars of the Anunnaki Chris H. Hardy, 2016-07-18 Examines the Anunnaki gods evolving relationships with humanity their power struggles and the details of their nuclear war on Earth Analyzes the crisis and rationale behind the Anunnaki decision to nuke 5 cities in the Jordan plain resulting in the obliteration of Sumerian civilization Draws upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Examines the Anunnakis lack of higher consciousness their reliance on technology their sacred power objects and sacred geometry and the possibility of Anunnaki bases on Mars in the distant past The detonation of nuclear weapons in the 20th century was not the first time humanity has seen such terrible destruction Drawing upon the work of Zecharia Sitchin the Book of Genesis Sumerian clay tablets and archaeological evidence such as ancient radioactive skeletons Chris Hardy reveals the ancient nuclear event that destroyed the Sumerian civilization and the power struggles of the gods that led up to it The author explains how the Anunnaki came to Earth from the planet Nibiru seeking gold to repair their ozone layer Using genetic engineering they created modern humanity to do their mining work and installed themselves

as our kings and our gods Anunnaki god Enki had a fatherly relationship with the first two humans Then Enlil Enki's brother took over as Commander of Earth instating a sole god theocracy and a war against the clan of Enki and humanity for spoiling the Anunnaki bloodlines through interbreeding This shift imposed a blackout not only of the very human nature of the Anunnaki gods but also of humanity's own ancient past on Earth Two of Enlil's attacks against the Enki clan and humanity are described in the stories of the Deluge and the Tower of Babel His final attempt after coercing the Assembly of the Gods into voting yes was the nuclear bombing of 5 cities of the Jordan plain including Sodom and Gomorrah which resulted in the destruction of the Sumerian civilization and the Anunnakis own civilization on Earth including their space port in the Sinai The author reveals how after each attempt humanity was saved by Enki chief scientist Ninmah and Enki's son Hermes The author explores how the Anunnakis reliance on technology and their recurrent wars caused them to lose touch with cosmic consciousness And she reveals how we will be doomed to repeat this dynamic until humanity awakens to our true origins

Prehistory Explained Shane Leach, 2020-10-15 Uncover the Mysteries of Our Past and Beyond Explore groundbreaking theories supported by scientific evidence and ancient texts Structures on the Moon and Mars NASA images suggest extraterrestrial origins Lost Civilizations Under Antarctic Ice Magnetic resonance data reveals hidden cities Secrets of the Great Pyramid and Sphinx X ray imaging uncovers hidden chambers Backed by NASA data radar imaging and carbon dating these discoveries connect to ancient texts like the Bible Mahabharata Dead Sea Scrolls and more Based on years of research and over 70 books Prehistory Explained is perfect for fans of ancient mysteries and extraterrestrial theories Start your journey into the unknown today The Short Book: An Alternative History Christian Bullock, 2019-01-14 From the Babylonian Mystery School comes a glaring attempt at reconstructing the History of Mankind The Short Book An Alternative History is one that should not be overlooked as it describes in detail what was and is known by the Babylonian Priest Caste In it are the extended History of the People from Nibiru the Anunnaki as well as the History of the Wild Men and also the History of Civilized Man It all started on another Planet in our Solar System Where Men like People first came from and brought with them to Earth the Means to Create Civilizations and Homo Sapiens Sapiens The Short Book An Alternative History is by no means the End All Be All But it is a Beginning to where we came from A true Alternative to what Mainstream Society at large has come to teach us Now for the very first time revealed in a Short Form so that it can clearly be examined and talked about openly by the Public or those who simply want Answers **DNA of the Gods** Chris H. Hardy, 2014-03-21 An in depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah Shows how the concepts of sin and the inferiority of women arose from Enlil's will to keep humanity underdeveloped clashing with Enki's and Ninmah's plan to make us equal in intelligence Reveals how humanity's long history of conflict was shaped by the battle between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin Chris Hardy shows that the gods of ancient myth

visitors from the planet Nibiru created us using their own divine DNA first through DNA extraction from their own ribs marrow and later by direct relations with early human females Drawing upon multiple sacred texts Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah with the help of Enki and Hermes She reveals how Ninmah's first female human creation Tiamat Eve contained more alien DNA than the earlier male one Adamu and how the biblical Noah represents the perfection of her work Examining the war between Anunnaki brothers Enki and Enlil Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil's attempts to enslave and then wipe out humanity repeatedly thwarted by Enki and Ninmah The author further explains how the sacred sexuality taught to humans still seen in Tantric practice became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace Showing that the god who created us was not the same god who expelled us from Eden Hardy explains that there will be no apocalypse because the Good Evil duality has never truly existed it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power With a full psychological understanding of how the ancient gods have shaped humanity's ongoing history of conflict we can move beyond the framework of my Good versus your Evil imposed by Enlil and begin to steer our own planetary destiny A Master's Reflection on the History of Humanity Ramtha, Ramtha (the enlightened one (Spirit)), 2001 **A Master's Reflection on the History of Humanity** Ramtha (the enlightened one (Spirit)), 2003 Ancient Gods and Their Mysteries Robert Berringer, 2005 *The Rescue* George Romero, 2011-03-18 The Rescue is not a science fiction book is a book about ancient and modern events It took a lot of guts to write this book and perhaps you could do with even more courage to read it Probably the intellectual will call it nonsense Since his intellect do match the freethinking of a non academic writer Without a doubt he will place this book on the Index of books never to mention Undoubtedly other readers with open arms will accept it and recognize it as a amazing narrations and when they come across with the opportunity of discovering that our past can be even more mysterious and full of adventures that the search for our future As a Philontologist philosophy and ontology George Romero will attempt to interpret the mysteries that guide our thoughts to externalize some real issues that are affecting our way of existence in our daily lives which he call it The New Law Order The essence and the key point of this theory is in how it happened thousands of years ago when the cosmic gods visited us for the first time this is another Government coverup What top secrets are we talking about It is what the American government is hiding from us They still are denying the existence and the appearance of the UFOs in our sky What is the real Rescue of humanity in the years to come **When Time Began** Zecharia Sitchin, 1993 **wars of** Zecharia Sitchin, 2007-03-27 Thousands of years ago the Earth was a battlefield These were the wars that would shape man's destiny terrible conflicts that began lifetimes earlier on another planet Parting the mists of time and myth the internationally renowned scholar Zecharia Sitchin takes us back in this volume to the violent beginnings of the human story when gods not men ruled the Earth In a spellbinding reconstruction of

epic events preserved in legends and ancient writings he traces the conflicts that began on another world continued on Earth and culminated in the use of nuclear weapons an event recorded in the Bible as the upheaval of Sodom and Gomorrah
