## **When Trumpets Call Theodore Roosevelt After The White House:**

**When Trumpets Call** Patricia O'Toole, 2005-03-08 A remarkable portrait of one of our most remarkable presidents When Trumpets Call focuses on Theodore Roosevelt's life after the White House TR had reveled in his power and used it to enlarge the scope of the office expand government's role in economic affairs and increase U S influence abroad Only fifty when he left the White House he would spend the rest of his life longing to return Drawing from a wealth of new and previously unused sources Patricia O Toole author of the highly acclaimed biography of Henry Adams and his friends The Five of Hearts conducts the first thorough investigation of the most eventful most revealing decade of Roosevelt's life When he left office in March 1909 Roosevelt went on safari leaving the political stage to William Howard Taft the friend he had selected to succeed him Home from Africa and gravely disappointed in Taft he could not resist challenging Taft for the Republican nomination in 1912 When Taft bested him Roosevelt formed the Bull Moose Party and ran for president on a third ticket a move that split the Republican vote and put Woodrow Wilson in the White House In 1914 after the beginning of World War I Roosevelt became the most vocal critic of Wilson's foreign policy and two years later hoping to oust Wilson Roosevelt maneuvered behind the scenes in another failed bid for the Republican nomination Turned down by Wilson in his request to raise troops and take them to France TR helped his four sons realize their wish to serve then pressured Washington to speed up the war effort His youngest son was killed on Bastille Day 1918 Theodore Roosevelt died six months later His last written words were a reminder to himself to see the chairman of the Republican Party Surprising original deeply moving When Trumpets Call is a portrait framed by a deeply human question What happens to a powerful man when he loses power Most of all it is an unforgettable close up of Theodore Roosevelt as he struggled not only to recover power but also to maintain a much needed sense of purpose Through her perceptive treatment of his last decade Patricia O Toole shows why Theodore Roosevelt still enjoys the affection and esteem of Americans across the political spectrum *The Presidency of Theodore Roosevelt* Lewis L. Gould, 2011 A comprehensive account of Theodore Roosevelt's important presidency updated to take into account two decades of additional research on the subject *Political Assassinations and Attempts in US History* J. Michael Martinez, 2017-11-14 The long dark history of political violence in the United States Violence has been employed to achieve political objectives throughout history Taking the life of a perceived enemy is as old as mankind Antiquity is filled with examples of political murders such as when Julius Caesar was felled by assassins in 44 BCE While assassinations and assassination attempts are not unique to the American way of life denizens of other nations sometimes look upon the US as populated by reckless cowboys owing to a Wild West attitude about violence especially episodes involving guns In this book J Michael Martinez focuses on assassinations and attempts in the American republic Nine American presidents Andrew Jackson Abraham Lincoln James A Garfield William McKinley Harry S Truman John F Kennedy Richard Nixon Gerald Ford and Ronald Reagan have been the targets of assassins President elect Franklin D Roosevelt was also a target shortly before

he was sworn into office in 1933 Moreover three presidential candidates Theodore Roosevelt Robert F Kennedy and George Wallace were shot by assailants In addition to presidents and candidates for the presidency eight governors seven U S senators nine U S House members eleven mayors seventeen state legislators and eleven judges have been victims of political violence Not all political assassinations involve elected officials Some of those targeted such as Joseph Smith Malcolm X and Martin Luther King Jr were public figures who influenced political issues But their cases are instructive because of their connection to and influence on the political process No other nation with a population of over 50 million people has witnessed as many political assassinations or attempts These violent episodes trigger a series of important questions First why has the United States a country constructed on a bedrock of the rule of law and firmly committed to due process been so susceptible to political violence Martinez addresses these questions as he examines twenty five instances of violence against elected officials and public figures in American history *When Trumpets Call* Patricia O'Toole,2005 Drawn from a wealth of new materials offering important new insights into Teddy Roosevelt s final decade this spellbinding biography takes its title from Roosevelt s sense of himself as a man summoned to the heroic of photos **The William Howard Taft**

**Presidency** Lewis L. Gould,2009-10-20 The only president to later serve as chief justice of the United States William Howard Taft remarked in the 1920s that I don t remember that I ever was President Historians have agreed and Taft is usually portrayed when written about at all as nothing more than a failed chief executive In this provocative new study the first treatment of the Taft presidency in four decades Lewis L Gould presents a compelling assessment of Taft s accomplishments and setbacks in office Rich in human interest and fresh analysis of the events of Taft s four years in Washington Gould s book shows why Taft s presidency is very much worth remembering on its own terms Gould argues that Taft wanted to be president and had an ambitious agenda when he took power in March 1909 Approaching his duties more as a judge than as a charismatic executive in the mold of Theodore Roosevelt Taft soon found himself out of step with public opinion Gould shows how the Payne Aldrich Tariff and the Ballinger Pinchot controversy squandered Taft s political capital and prepared the ground for Democratic victories in the elections of 1910 and 1912 His seamless narrative provides innovative treatments of these crucial episodes to make Taft s presidency more understandable than in any previous account On Canadian Reciprocity Dollar Diplomacy and international arbitration Gould s well researched work goes beyond earlier stale clichs about Taft s administration to link his tenure to the evolution of the modern presidency Taft emerges as a hard working but flawed executive who lacked the excitement of Theodore Roosevelt or the inspiration of Woodrow Wilson The break with Theodore Roosevelt in 1912 doomed the Taft presidency and Gould supplies an evenhanded analysis of the erosion of their once warm friendship At bottom the two men clashed about the nature of presidential power and Gould traces with insight how this personal and ideological rupture influenced the future of the Republican party and the course of American politics In Gould s skilled hands this neglected presidency again comes alive Leaving the White House in 1913 Taft wrote that the people of the

United States did not owe me another election What his presidency deserved is the lively and wise appraisal of his record in office contained in this superb book Moments in History II Mark R. Brewer,2022-03-16 Moments in History II is similar in format to Moments in History but each book stands alone in that one does not have to read one in order to enjoy the other They each contain chapters that examine a historical event and then look at the life of the individual at the center of that event These people are sometimes famous sometimes obscure sometimes heroic and sometimes scoundrels but they are always interesting Assassinations, Threats, and the American Presidency Ronald L. Feinman,2015-08-06 Throughout American history Presidents and Presidential candidates have faced countless assassination threats and attempts on their lives These threats have extended not only to sitting Presidents and candidates but also to Presidents elect and former Presidents Assassinations Threats and the American Presidency From Andrew Jackson to Barack Obama walks through Presidential history looking at the countless assassination threats and attempts that have occurred throughout history Historian Ronald L Feinman discusses the Presidencies of sixteen Presidents as well as three important candidates and five living Presidents today and how they were directly threatened with assassination ranging from the first known threat to Andrew Jackson in 1833 to threats to Barack Obama in late 2014 All nineteen of these Presidents and candidates were threatened with assassination six being killed three wounded and ten unhurt Additionally he reveals information about some failed attempts which had they been successful could have resulted in fifteen different men who would have become President of the United States Which ones would have been able to fill the responsibilities Which ones would have been disastrous in the Oval Office Assassination attempts both successful and failures have been part of our political culture for over 180 years and the problem of Presidential security safety and protection remains a serious problem today With the President being faced with countless death threats the Secret Service and FBI are forced to employ all kinds of technological methods to protect our Chief Executive and his family as well as other top officials in the line of succession Feinman brings to light how these agencies have grown both technologically and physically to counter these attacks He also sheds light on how these threats to our Presidency have devastated changed and grown our United States into what it is today Four Hats in the Ring Lewis L. Gould,2008 A leading political historian explains the enduring significance of the dynamic 1912 election featuring four candidates three with previous White House experience and one a future prison inmate as they dealt with pressing issues such as free trade the political role of women and a socialist movement at its apex **The Adventures of Theodore Roosevelt** Theodore Roosevelt,2005 Explorer Adventurer Naturalist Hunter Historian Colonel Conservationist You cannot sum Theodore Roosevelt up writes Anthony Brandt in the introduction to this treasure of adventure tales of the twenty sixth president of the United States you can only stand in awe of him From capturing cattle thieves in the American West to charging San Juan Hill to tracking lions in Africa Theodore Roosevelt s thirst for adventure races through each of the selections in this marvelous narrative history shedding light on a sickly boy who embraced the strenuous life wholeheartedly

and became a legendary outdoorsman Arranged chronologically these accounts of Roosevelt s adventures trace the rise of one of the most unforgettable characters in our nation s history from his days as a cattle rancher in Montana to governor of New York to the White House and beyond Among his many talents Theodore Roosevelt was a gifted storyteller and the selections in this book brilliantly showcase his most vivid writing Adventure historian Anthony Brandt deftly sets the selections in context explaining the personal and political settings of incidents from the creation of the teddy bear legend to Roosevelt s harrowing ordeal on Brazil s River of Doubt National Geographic Adventure Classics is a series that celebrates the 100 greatest adventure books of all time as compiled by a panel of experts for National Geographic Adventure These titles have been carefully selected for their adrenaline quotient and their status as classics of the adventure genre *Buying the Vote* Robert E. Mutch,2014 *Buying the Vote* A History of Campaign Finance Reform analyzes the rise and decline of campaign finance reform by tracking changes in the funding of presidential campaigns and changes in the debate over reforming fundraising practices An examination of Supreme Court decisions shows how the Court has fashioned a profoundly egalitarian redefinition of American democracy **Theodore Roosevelt** Joshua David Hawley,2008 Often dismissed by scholars as an opportunistic politician whose ideas lacked historical import Theodore Roosevelt has been underestimated as a thinker But to disdain Roosevelt s politics is to overlook his important and lasting contributions to the shape of modern America says the author of this compelling new study of the 26th president of the United States Joshua Hawley examines Roosevelt s political thought more deeply than ever before to arrive at a fully revised understanding of his legacy Roosevelt galvanized a twenty year period of national reform that permanently altered American politics and Americans expectations for government social progress and presidents The book explores the historical context of Theodore Roosevelt s politics its intellectual sources its practice and its effect on his era and our own Hawley finds that Roosevelt developed a coherent political science centered on the theme of righteousness and this warrior republicanism was what made the progressive era possible The debates of Roosevelt s era were driven largely by his ideas and from those debates emerged the grammar of our contemporary politics Casting new light on the fertility and breadth of Roosevelt s thought Hawley reveals the full extent of his achievement in twentieth century intellectual history *A Time for Freedom* Lynne Cheney,2005-09-27 Presents the history of the United States in order of how things happened **American Heroes** Salem Press,2008-08 American Heroes surveys more than 200 U S heroes from the American Revolution through today in 39 areas of achievement including Agriculture and Astronomy Aviation and Space Exploration Biology Business Civil Rights Computer Science Diplomacy Education Engineering Environmentalism Exploration Government and Politics Invention and Technology Law and Jurisprudence Literature Mathematics Medicine the Military Religion Native American Affairs Nursing Philanthropy Philosophy Physics Public Health Religion and Theology Social Reform Sports Theater and Entertainment and Women s Rights **Live From the Campaign Trail** Michael A. Cohen,2008-06-24 A collection of twentieth century campaign

speeches with supporting essays for each and includes Warren Harding's Return to normalcy Dwight D Eisenhower's I shall go to Korea Bill Clinton's I still believe in a place called hope and others

**Film and the American Moral Vision of Nature** Ronald B. Tobias, 2011-06 Introduction Tales of dominion The plow and the gun Picturing the West 1883 1893 American idol 1898 The end of nature African romance The dark continent When cowboys go to heaven Transplanting Africa Of ape men sex and cannibal kings Adventures in monkeyland Nature the film The world scrubbed clean

**The American Scholar** William Allison Shimer, 2005

**Moose Crossing** Max J. Skidmore, 2007 In February 1919 in memoriam of the recent passing of President Theodore Roosevelt a group of civic leaders began the planning of a monumental road the Theodore Roosevelt International Highway Spanning more than 4 000 miles the highway connected Portland Maine to Portland Oregon through the most northern states and Ontario Canada Boasting seascapes and lake views mountain vistas and a breathtaking drive through the awesome Columbia River Gorge the Theodore Roosevelt International Highway was the northernmost of the few transcontinental roads available in the 1920s and 30s and soon became an important route for the up and coming automobile No other route has duplicated the Highway's variety and scenic grandeur or did more to encourage travel Moose Crossing is the story of Theodore Roosevelt and the highway he inspired It is a story of how Max Skidmore unearthed the remnants of America's most fascinating auto trail and experienced it all the way from Portland to Portland

**Three Men in a Room** Seymour Lachman, Rob Polner, 2006 The inside story of one of the country's most secretive and misruled statehouses by a former New York State senator Democracy takes decades to take root and flourish New York is learning that it takes just three men in a room to maim and seriously harm a vigorous and representative system of government from Three Men in a Room It might be a scene from a movie three powerful and secretive men sit in a private corner of an exclusive New York club imperiously making decisions that affect the lives of millions of people But the scene takes place in Albany New York and the exclusive members are the governor the senate majority leader and the speaker of the assembly of the New York State legislature Three Men in a Room is an insider's exposé of how one of the country's largest and most powerful governments with the fourth largest budget behind only the federal government's California's and Texas's has become a model of corrupt inefficient and undemocratic governance Seymour Lachman ran the New York City Board of Education taught political science and was then elected to New York's legislature What he found when he arrived in the halls of the state senate was a Potemkin village of government where legislators vote on bills they haven't read during legislative sessions they haven't attended After four terms Lachman left his safe seat in disgust and has now written this sharp mordant and impassioned call for reform Although Lachman's story takes place in one of the country's most progressive states the problems described in this book are rampant in statehouses throughout the country
