When Will There Be Good News A Novel:

When Will There Be Good News? Kate Atkinson, 2009-08-04 International Bestseller When Will There Be Good News is the brilliant new novel from the acclaimed author of Case Histories and One Good Turn once again featuring private investigator Jackson Brodie On a hot beautiful day in the English country side six year old Joanna Mason witnesses a horrific crime Thirty years later the man convicted of the crime is released from prison Sixteen year old Reggie works as a nanny for a doctor devoted to her infant son When Dr Hunter goes missing Reggie no stranger to bad luck and worse seems to be the only person who is worried Detective Chief Inspector Louise Monroe is also looking for a missing person unaware that hurtling toward her is an old friend private investigator Jackson Brodie himself on a journey that becomes fatally interrupted As lives and histories intersect as past mistakes and current misfortunes collide Jackson and Louise both get caught up in an investigation that will call into question everything they once thought true In an extraordinary virtuoso display Kate Atkinson has produced one of the most engrossing masterful and piercingly insightful novels of this or any year It is also as hilarious as it is heartbreaking as Atkinson weaves in and out of the lives of her eccentric grief plagued and often all too human cast Yet out of the excesses of her characters and extreme events that shake their worlds comes a relatively simple message about being good loyal and true When Will There Be Good News shows us what it means to survive the past and the present and to have the strength to just keep on keeping on
