Where Have All The Prophets Gone Reclaiming Prophetic Preaching In America:

Where Have All the Prophets Gone Marvin a. McMickle, 2019-04-11 This book is a call for preachers to learn the importance of keeping their eyes on the vision of Jesus and biblical prophets when preaching that of doing justice caring for others and being equitable The book attempts to make a biblical argument for the importance and the content of prophetic preaching and argues that the issue is not preaching from a text taken from the prophetic corpus but preaching on the themes that echoed over and over from the biblical prophets themselves *Ethical Prophets along the Way* Rufus Burrow, 2019-12-27 The Hebrew prophets of ancient Israel strove to convey God's point of view to the people and the powers at a time when injustice deceit malfeasance and crushing the poor and the oppressed was prominent much like today The prophets spoke courageously and emphatically about God's profound and unrelenting concern and compassion for human beings Much influenced by the theology of prophecy developed by Rabbi Abraham Joshua Heschel this book discusses the nature meaning and relevance of ethical prophecy at a time when democracy in the United States of America and elsewhere is under vicious assault from the religious and secular right and authoritarian politicians who openly flirt with and support murderous dictators sexism homophobia racial bigotry anti-Semitism and hatred of Muslims both in word and practice An examination of the contributions of eight powerful personalities from the period of American slavery through the post civil rights era Angelina Grimké Ida B Wells Abraham J Heschel James Baldwin Malcolm X Martin Luther King Jr scar Romero and Alice Walker offers a recipe for addressing this state of affairs Preaching in the Small Membership Church Lewis A. Parks, 2010-09-01 Step into the pulpit in a small membership church and you'll sometimes find your fair share of challenges but you'll almost always find more than your share of blessings as well Those blessings and the chance for authentic life transforming preaching are what preaching in the small membership church are all about Lewis Parks knows those blessings well For nearly 40 years he has preached in small membership churches and taught others who serve in them In this book he lays out the distinct roles that preaching in the small membership church calls on us to fill and offers down to earth substantive guidance on how to be the best preacher you can be in these most numerous and most important outposts of Christ's church Prophetic Justice Keith Magee, 2024-06-09 In this prophetic collection of seminal essays and articles the public intellectual theologian and social justice scholar Reverend Professor Keith Magee provides a thoughtful sharp and critical analysis of how questions of race religion and politics have an impact on society today The book explores the historical context of American democracy and how it has long failed to deliver true justice to all of the nation's citizens Prophetic Justice exposes the social construct of race and the myriad ways in which this false idea along with the sometimes wilful misinterpretations of sacred texts have been used to justify the subjugating of one people by another simply because of the color of their skin Written between 2016 and 2023 these essays and articles touch on some painful subjects but also give us reason to hope Keith Magee describes how with empathy courage and faith we can come together to face up to the

injustices of the past and celebrate our common humanity thus creating a new world in which every life truly matters

Extremist for Love Rufus Burrow, 2014 On June 5 2002 fourteen year old Elizabeth Smart the daughter of a close knit Mormon family was taken from her home in the middle of the night by a religious fanatic Held captive by him and his wife Elizabeth suffered daily physical and emotional abuse Rescued nine months later she rejoined her family Now for the first time Smart tells the story of how she survived and endured and found the strength to pick up the pieces of her life Bestseller

Prophetically Incorrect Robert H. Jr. Woods, Paul D. Patton, 2010-08-01 The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically But in our media saturated age when many claim to speak for God how can we evaluate the avalanche of supposedly prophetic speech What does it mean to truly be prophetic And when Christians should speak prophetically how can they do so in a biblical and effective way Using vivid examples this book offers clear guidelines for creating critiquing and consuming popular media as well as practical suggestions for faithful communication It also helps readers think critically about communication technology The book includes a foreword by

Quentin Schultze and a preface by Clifford Christians Hip-Hop Redemption (Engaging Culture) Ralph Basui

Watkins, 2011-10-01 Hip hop culture is experiencing a sea change today that has implications for evangelism worship and spiritual practices Yet Christians have often failed to interpret this culture with sensitivity Sociologist preacher pop culture expert and DJ Ralph Watkins understands that while there is room for a critique of mainstream hip hop and culture by listening more intently to the music s story listeners can hear a prophet crying out sharing the pain of a generation that feels as though it hasn t been heard His accessible balanced engagement reveals what is inherently good and redeeming in hip hop and rap music and uses that culture as a lens to open up the power of the Bible for ministry to a generation The

Epworth Review , 1983 The Alliance Weekly , 1940 Christian Advocate , 1938-07 Subject Guide to Books in Print , 1991 *Preaching Like the Prophets* Robert A. Carlson, 2017 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets While acknowledging

that modern preachers are not prophets in the technical sense Carlson demonstrates that preachers can benefit from studying both the content and style of the Old Testament prophets This book will be both challenging and encouraging to contemporary pastors and if taken to heart can make a positive contribution to contemporary evangelical preaching Robert B Chisholm Dallas Theological Seminary Carlson helps us see the prophets as they are not primarily as those who rail against social injustice or predict the future but as preachers today those who are empowered by the Spirit to bring God's word of correction redemption and hope to a covenant community fashioning their messages with rhetorical skill creativity and relevance You'll find yourself wanting to preach Isaiah Jeremiah Amos and Micah after Carlson shows you their artistic brilliance Donald R Sunukjian ThD PhD Talbot School of Theology Biola University This volume provides an anatomy of a prophetic homiletic addressing the already-ness of prophetic foretelling Today there is the dire need for the voice of the prophet who can utter the thus-says-the-Lord because the preacher knows what says the Lord The Spirit and the Word are inextricably connected in the author's treatment within this work This book will greatly assist pastors preachers and seminarians in the reclaiming of the prophetic mantle Robert Smith Jr Beeson Divinity School Samford University Preaching Like the Prophets is an excellent book for preachers seeking greater audience impact Through integrating rhetorical analysis of the prophets with current homiletical scholarship Carlson shows how the prophets model for us relevance and creative style His careful scholarship also unpacks the major messages of the prophets for relevant application today Roger M Raymer Dallas Theological Seminary Robert A Carlson is the Lead Pastor of Brush Prairie Baptist Church in Vancouver Washington He also has significant teaching and preaching experience in southern Africa as a missionary pastor and lecturer He is a graduate of Dallas Theological Seminary ThM and Western Seminary DMin
