X Marks Native Signatures Of Assent Indigenous Americas:

X-Marks Scott Richard Lyons, 2010-05-10 During the eighteenth and nineteenth centuries North American Indian leaders commonly signed treaties with the European powers and the American and Canadian governments with an X signifying their presence and assent to the terms These x marks indicated coercion because the treaties were made under unfair conditions resistance because they were often met with protest and acquiescence to both a European modernity and the end of a particular moment of Indian history and identity In *X Marks* Scott Richard Lyons explores the complexity of contemporary Indian identity and current debates among Indians about traditionalism nationalism and tribalism Employing the x mark as a metaphor for what he calls the Indian assent to the new Lyons offers a valuable alternative to both imperialist concepts of assimilation and nativist notions of resistance calling into question the binary oppositions produced during the age of imperialism and maintaining that indigeneity is something that people do not want what they are Drawing on his personal experiences and family history on the Leech Lake Ojibwe Reservation in northern Minnesota discourses embedded in Ojibwemowin the Ojibwe language and disagreements about Indian identity within Native American studies Lyons contends that Indians should be able to choose nontraditional ways of living thinking and being without fear of being condemned as inauthentic Arguing for a greater recognition of the diversity of Native America *X Marks* analyzes ongoing controversies about Indian identity addresses the issue of culture and its use and misuse by essentialists and considers the implications of the idea of an Indian nation At once intellectually rigorous and deeply personal *X Marks* holds that indigenous peoples can operate in modern times while simultaneously honoring and defending their communities practices and values **Spiral to**

the Stars Laura Harjo, 2019-06-25 All communities are teeming with energy spirit and knowledge and *Spiral to the Stars* taps into and activates this dynamism to discuss Indigenous community planning from a Mvskoke perspective This book poses questions about what community is how to reclaim community and how to embark on the process of envisioning what and where the community can be Geographer Laura Harjo demonstrates that Mvskoke communities have what they need to dream imagine speculate and activate the wishes of ancestors contemporary kin and future relatives all in a present temporality which is Indigenous futurity Organized around four methodologies radical sovereignty community knowledge collective power and emergence geographies *Spiral to the Stars* provides a path that departs from traditional community making strategies which are often extensions of the settler state Readers are provided a set of methodologies to build genuine community relationships knowledge power and spaces for themselves Communities don't have to wait on experts because this book helps them activate their own possibilities and expertise A detailed final chapter provides participatory tools that can be used in workshop settings or one on one This book offers a critical and concrete map for community making that leverages Indigenous way finding tools Mvskoke narratives thread throughout the text vividly demonstrating that theories come from lived and felt experiences This is a must have book for community organizers radical pedagogists and

anyone wishing to empower and advocate for their community *The Oxford Handbook of Indigenous American Literature* James Howard Cox, Daniel Heath Justice, 2014 Over the course of the last twenty years Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual cultural political historical and tribal nation contexts from which these Indigenous literatures emerge The Oxford Handbook of Indigenous American Literature reflects on these changes and provides a complete overview of the current state of the field The Handbook's forty three essays organized into four sections cover oral traditions poetry drama non fiction fiction and other forms of Indigenous American writing from the seventeenth through the twenty first century Part I attends to literary histories across a range of communities providing for example analyses of Inuit Chicana o Anishinaabe and M tis literary practices Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non fiction emergent trans Indigenous autobiography Mexicanoh and Spanish poetry Native drama in the U S and Canada and even a new Indigenous children's literature canon The third section delves into contemporary modes of critical inquiry to expound on politics of place comparative Indigenism trans Indigenism Native rhetoric and the power of Indigenous writing to communities of readers A final section thoroughly explores the geographical breadth and expanded definition of Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field **The Cambridge History of Native American Literature** Melanie Benson Taylor, 2020-09-17 Native American literature has always been uniquely embattled It is marked by divergent opinions about what constitutes authenticity sovereignty and even literature It announces a culture beset by paradox simultaneously primordial and postmodern oral and inscribed outmoded and novel Its texts are a site of political struggle shifting to meet external and internal expectations This Cambridge History endeavors to capture and question the contested character of Indigenous texts and the way they are evaluated It delineates significant periods of literary and cultural development in four sections Traces Assimilation and Modernity 1879 1967 Native American Renaissance post 1960s and Visions Revisions 21st century These rubrics highlight how Native literatures have evolved alongside major transitions in federal policy toward the Indian and via contact with broader cultural phenomena such as the American Civil Rights movement There is a balance between a history of canonical authors and traditions introducing less studied works and themes and foregrounding critical discussions approaches and controversies *The White Possessive* Aileen Moreton-Robinson, 2015-05-15 The White Possessive explores the links between race sovereignty and possession through themes of property owning property being property and becoming propertyless Focusing on the Australian

Aboriginal context Aileen Moreton Robinson questions current race theory in the first world and its preoccupation with foregrounding slavery and migration The nation she argues is socially and culturally constructed as a white possession Moreton Robinson reveals how the core values of Australian national identity continue to have their roots in Britishness and colonization built on the disavowal of Indigenous sovereignty Whiteness studies literature is central to Moreton Robinson s reasoning and she shows how blackness works as a white epistemological tool that bolsters the social production of whiteness displacing Indigenous sovereignties and rendering them invisible in a civil rights discourse thereby sidestepping thorny issues of settler colonialism Throughout this critical examination Moreton Robinson proposes a bold new agenda for critical Indigenous studies one that involves deeper analysis of how the prerogatives of white possession function within the role of disciplines
