Xerxes Of De Hoogmoed Hist Roman:

A Literary History of the Low Countries Theo Hermans, 2009 What was the written culture behind visual artists like Vermeer Rembrandt and Rubens What made the historical novel in nineteenth century Flanders so different from its counterpart in Holland What was the literary impact of the huge colonial empires run by the Netherlands and Belgium What role did Latin French and Frisian play in the literary culture of the Low Countries through the ages Why is experimental writing so prevalent in modern Dutch literature What has made Cees Nooteboom an internationally acclaimed author And how does Flemish relate to Dutch anyway This first literary history of the Netherlands and Flanders in English since the 1970s answers these and many other questions Written by a team of Dutch and Flemish subject specialists it offers a comprehensive and authoritative account of the literature of the Dutch speaking area from the medieval period up to the present day While it focuses on literature written in Dutch it also assesses the significance of writings in French Latin and Frisian *Columbia Dictionary of Modern European Literature* Jean Albert Bédé, William Benbow Edgerton, 1980 With more than 1800 critical entries on the writers and literatures of 33 languages this work presents the entire range of modern European writing from the symbolist and modernist works rooted in the last decades of the nineteenth century through the avant garde and existentialist movement to Barthes Blanchot Breton and continental thought pertinent today **Dutch and Flemish Literature as World Literature** Theo D'haen, 2019-07-25 The recent return of world literature to the centre of literary studies has entailed an increased attention to non European literatures but in turn has also further marginalized Europe's smaller literatures Dutch and Flemish Literature as World Literature shows how Dutch language literature from its very beginnings in the Middle Ages to the present has not only always taken its cue from the major literary traditions of Europe and beyond but has also actively contributed to and influenced these traditions The contributors to this book focus on key works and authors providing a concise yet highly readable history of Dutch language literature and demonstrating how this literature is anchored in world literature *The Impact of Classical Greece on European and National Identities* M. Haagsma, 2021-11-15 These thirteen papers from a colloquium held at the Netherlands Institute at Athens in 2000 examine European scholarship's fascination with classical Greece during the 19th and 20th centuries Arranged geographically and then thematically the papers discuss Greek attitudes towards classical archaeology and literature Germany and Neoclassicism classical Greece in Dutch literature and the influence of Greece on Dutch politics the influence of Alexander the Great and the Persian Wars the classical element in Victorian verse and interpretations of Homeric epic *The Netherlands* Gerald Newton, 1978 **Catalogue of the London Library, St. James Square, London.
