Saturday Review of Literature ,1929 **In Thrall - The Viking's Virgin Slave** Madelene Martin,2013-09-12 In the dead of night concubine Zahira is stolen from her Master s harem by Vikings intent on revenge Leif Svensson leader of the raiders and chieftain of his village soon decides he wants the beautiful exotic girl for himself Bit by bit he claims her body and soul Soon she discovers that perhaps her notions of freedom are not as clear cut as she d thought and that maybe she can find fulfillment in serving the right master This 15 000 word erotic romance contains descriptions of graphic sex acts reluctant and rough sex bondage discipline domination submission and slavery themes He roughly grabbed her then and bent her over his knee He pushed her down with ease so that her body was prone over his lap her head hanging down What She began panicked Then she felt his rough hand slide up her leg under her skirt She had told herself over and over not to resist to just give him what he wanted She had prepared herself for it while pacing his room Or she thought she had Now with his hands on her and her body helplessly laying over him her instinct took over and she began to struggle You have to learn your place He growled His hand continued its journey up her thigh Then he lifted her skirt throwing it over her back and exposing her backside No She wailed and kicked hard trying to get free of his hands She flailed her arms trying to find purchase He made an angry sound and grabbed her wrists in one hand crushing them together as he effortlessly held her arms still right above her head His other hand suddenly left her thigh and then there was a shock of pain and a loud SLAP as his palm came down hard on her bare ass Zahira cried out her body jerking Tears sprung to her eyes The skin of her backside began to sting and burn heat rising in the area I m sorry She cried He put his hand back on her and she flinched but he just cupped the cheek of her ass and slowly massaged it As he firmly kneaded the sting started to subside You may have been some pretty pampered ornament in your previous life Leif said mildly But you are my thrall now You will learn your place She bit her trembling lip and tried to concentrate on anything but the distracting feeling of his hand massaging and caressing her ass Suddenly he took his hand away and it fell on her again with the same SLAP and shock of pain Answer me He shouted Yes My Lord She gasped I will try to please you I m sorry She squeezed her thighs together writhing in pain and anguish Good He said and began massaging her again He kneaded the burning flesh and stroked it gently until most of the pain had receded Zahira closed her eyes anticipating another slap Suddenly she could feel him pressing underneath her She knew what it was his manhood was hard and pushing up into her belly She shivered a curious bolt of excitement coursing through her He was enjoying this He wanted her Her breath was coming in short gasps her body tingling with energy and alertness She felt his hand move lower and squeeze between her thighs She didn t dare protest or even make a sound as he forced her legs slightly apart and ran a finger down between them She could feel the wetness between her legs as he traced it lightly She tried to squeeze her thighs around his hand to stop him but he continued as though he hadn t even noticed his strong fingers invading her touching where no man had ever touched Mmmm He purred It seems you like me after all no matter what you

Griff Hosker, 2014 Vikings come raiding along the English coast in the eighth century. A young boy and his mother are taken to a remote fjord. Forced to be the slave of an old warrior, the young boy forms a bond. When he kills a wolf and saves the old man's life, the boy wins his freedom. He fights for the freedom of his home until he and his stepfather are forced to leave their home and seek their fortune in the west. They have to fight the Saxons to build their new home. Based on historical events, the story is the first in a series of books called Dragon Heart.
