Viking Heart Sky Purington, 2015-06 Amber is heartbroken. Supposedly because of a pact made between three ninth century Viking brothers and Mt Galdh piggen s seers her sisters have vanished into the distant past. Struggling with grief she leans on her part time fling Sean until even he is torn away. Or so it seems. Of dragon blood and brother to the king Kol Sigdir the lucky has been determined to avoid his fate since the moment he promised himself sight unseen to a woman from the future. He adores all women and it s no easy thing knowing he has to eventually pledge his heart to just one until he meets Amber. A spirited artist and musician she captivates him. When she offers him a soul deep glimpse at what was missing from his life he soon wonders how he will ever be able to let her go. As Kol and Amber grow closer they face multiple threats. Eager for revenge King Alrek declares war. To make matters worse he has an ally nobody could have anticipated. One determined to see everything come to an end. Hearts struggle, rip apart and then are rebuilt when the laws of time are tossed aside. A thousand years means nothing when two star crossed souls are meant to connect. Even so will the strength of love be enough to withstand a powerful enemy and bridge a gap across time already closed. Sky Purington, 2016-02-21 Haunted by childhood memories and the fact she is likely going mute Erin embraces a quiet life in Vermont. A life away from all the mistakes she has made and the people she s hurt. A peaceful existence with her horses. A cynic by nature she doesn t buy into what she soon learns. Apparently she s part of an unending connection between twenty first century Broun women and medieval MacLomain men. When a Claddagh ring crosses her path she s compelled to steal it. A bad move because the ring is meant to find true love. Something Erin feels she stopped deserving a long time ago. Of dragon blood Chieftain R nan MacLeod is by birth half MacLomain. While raised to protect the future King of Scotland he lives life with an open mind. The idea of a ring binding him to one lass seems far fetched. However when a woman named Jackie calls to him from the dark edges of the Celtic Otherworld he swears an oath to save her. That means traveling to the future to protect her before she s taken by the enemy. The only problem. She is not where she should be. Instead he finds a beautiful defiant lass named Erin. Now he must make a choice. Continue seeking out Jackie or protect the one he s with. Thrust back in time to ninth century Scandinavia R nan and Erin find sanctuary with his Viking ancestors. With help from not only King Na r V urr Sigdir but his offspring they learn more than anticipated. Something that will either damn them or set them free. Drawn to one another heat flares. A fire neither could have imagined. Scorching. Searing. Unavoidable. One they must fight if they want to save those they care for most. Will they be able to protect wee Robert the Bruce from evil when they end up back in Scotland. Or will their repressed feelings be their ultimate doom. After all it s supposed to take the oath of a Scottish warrior to save a future king. Not the oath of a warrior who ended up forsaking all because he lost his heart along the way.
