State-wide Burn Ban in Effect

New York State DEC has implemented a statewide burn ban in effect until November 30 due to increased fire risk.

This burn ban prohibits the starting of outdoor fires statewide for purposes of brush and debris disposal, as well as uncontained campfires, recreational fires and open fires used for cooking. Backyard fire pits and contained campfires less than three feet in height and four feet in length, width, or diameter are allowed, as are small, contained cooking fires.

Additionally, although the Village water supply remains at acceptable levels, voluntary conservation is appreciated until precipitation returns to normal.
