The background of the entire page is a collage of various religious and historical images. At the top, there's a faint image of a person in a white robe. Below that, a central image shows a person's face within a sunburst. The collage also includes several small, faded portraits of men, likely historical figures or saints, arranged in a grid-like fashion. The overall aesthetic is vintage and religious.

Hijacking Jesus Jason Jimenez,2023-09-12 Progressives have fabricated a new Jesus so different

from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don t realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh Hijacking Jesus addresses perennial questions about the nature of Christ and his teaching testing the historical and theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus s life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior
