Paul and Virginie Bernardin de Saint Pierre, 1788 *Heroines and Local Girls* Pamela L. Cheek, 2019-08-30 Over the course of the long eighteenth century a network of some fifty women writers working in French English Dutch and German staked out a lasting position in the European literary field These writers were multilingual and lived for many years outside of their countries of origin translated and borrowed from each others works attended literary circles and salons and fashioned a transnational women s literature characterized by highly recognizable codes Drawing on a literary geography of national types women writers across Western Europe read translated wrote and rewrote stories about exceptional young women literary heroines who transcend the gendered destiny of their distinctive cultural and national contexts These transcultural heroines struggle against the cultural constraints determining the sexualized fates of local girls In *Heroines and Local Girls* Pamela L Cheek explores the rise of women s writing as a distinct transnational category in Britain and Europe between 1650 and 1810 Starting with an account of a remarkable tea party that brought together Frances Burney Sophie von La Roche and Marie Elisabeth de La Fite in conversation about St phanie de Genlis she excavates a complex community of European and British women authors In chapters that incorporate history network theory and feminist literary history she examines the century and a half literary lineage connecting Madame de Maintenon to Mary Wollstonecraft including Charlotte Lennox and Fran oise de Graffigny and their radical responses to sexual violence Neither simply a reaction to nor collusion with patriarchal and national literary forms but rather both women s writing offered an invitation to group membership through a literary project of self transformation In so doing argues Cheek women s writing was the first modern literary category to capitalize transnationally on the virtue of identity anticipating the global literary marketplace s segmentation of affinity based reading publics and continuing to define women s writing to this day **To the Fairest Cape** Malcolm Jack, 2018-10-08 Crossing the remote southern tip of Africa has fired the imagination of European travellers from the time Bartholomew Dias opened up the passage to the East by rounding the Cape of Good Hope in 1488 Dutch British French Danes and Swedes formed an endless stream of seafarers who made the long journey southwards in pursuit of wealth adventure science and missionary as well as outright national interest Beginning by considering the early hunter gatherer inhabitants of the Cape and their culture Malcolm Jack focuses in his account on the encounter that the European visitors had with the Khoisan peoples sometimes sympathetic but often exploitative from the time of the Portuguese to the abolition of slavery in the British Empire in 1833 This commercial and colonial background is key to understanding the development of the vibrant city that is modern Cape Town as well as the rich diversity of the Cape hinterland Published by Bucknell University Press Distributed worldwide by Rutgers University Press **Paul and Virginie** Bernardin de Saint Pierre, 1788 This was the Man Louise Colet, Graham Anderson, 2022-09-22 Graham Anderson s translations of both Sand s and Colet s novels are faithful and highly readable with short but helpful introductions Both books have been translated before Sand s

Elle et Lui was translated by an American George Burnham Ives 1856 1930 a man remarkable for having turned to literary translation while serving eight and a half years in a Boston Prison for embezzlement and forgery His translation was called She and He and suffers from a stuffy excessively formal prose style that doesn't replicate Sand's voice very well Anderson's translation is far better his prose is tighter better paced more natural sounding modern without being anachronistic Colet's novel Lui was translated in 1986 by Marilyn Gaddis Rose as Lui A View of Him now out of print Both Rose and Anderson provide excellent responsible readable translations Anderson provides notes for many cultural references and allusions the new translation is welcome both because the novel is a pleasure to read in his vigorous English version and because it might help some readers to a new appreciation of Louise Colet herself who deserves better treatment than she has been given by literary history The Sand novel is for Sand completists The Colet is for the rest of us Raymond N MacKenzie in The London Review of Books Sand's and Colet's novels are fascinating when read in conversation Sometimes they dance in harmony sometimes they duel with one another not just in their portrayal of the central couple but in their views of love and its meanings Their appeal to a contemporary audience is heightened by Anderson's lively translations which capture the mood of mid nineteenth century Paris yet also make the books seem acutely up to date He is not averse to rearranging long winding sentences and often finds images in English that exactly and inventively render the French ones Michele Roberts in The Times Literary Supplement Paul and Virginie Bernardin de Saint-Pierre, 1788 **Paul et Virginie** Henri Bernardin de Saint-Pierre, 1806 **Henriqueta, a Aventureira** Augusto Garraio, 2025-02-10 A vida escandalosa de Henriqueta não deu um filme porque o cinema ainda não tinha sido inventado mas deu um romance e uma peça de teatro Henriqueta a Aventureira Henriqueta Emília da Conceição e Sousa nascida no Porto em 1840 escandalizou o país na segunda metade do século XIX era uma conhecida prostituta e quadrilheira do bas-fond portuense que se apresentava em público vestida de homem fumando charutos e exibindo audaciosamente a sua amante Teresa Maria de Jesus Etelvina no romance uma bela costureira de dezoito anos A história de vida de Henriqueta investigada pelo tipógrafo António Joaquim Duarte Júnior daria origem ao romance Henriqueta ou Uma Heroína do Século XIX 1877 e pouco depois peça de teatro Henriqueta A Aventureira 1879 de Augusto Garraio já em 1997 Mário Cláudio publicaria também nova adaptação ao teatro a que deu o nome da heroína Henriqueta Emília da Conceição António Fernando Cascais refere que a representa o das libicas para o último estereótipo da jovem inglesa desviada pela perfídia viciosa da mulher mais velha em regra uma grande dama aristocrática ou uma perversa preceptora estrangeira encontra-se frequentemente associada prostituição acumulando a imagem já de si negativa de degradação moral e sensível da prostituta de que exemplo notório O Livro de Alda 1898 de Abel Botelho Também este estereótipo comporta a sua exceção com o retrato romanceado e dramatizado do singular caso da figura real de Henriqueta Emília da Conceição e Sousa célebre meretriz e chefe de uma quadrilha portuense que guarda em casa a cabeça decapitada da amante falecida a quem ergueu um monumento funerário *Paul et Virginie.
