

Step 1 of 1

Welcome to the Sports & Entertainment mogul project.

Your goal is to make \$5 million profit during a season. You control all aspects of your stadium and football team. You can pick and book bands to increase your profit.

It will most likely take you more than one season to achieve your goal. As your team wins more games, more fans will come! Also, with each new season, you will have the opportunity to book bigger and bigger concert acts!

Good luck!

Goal: \$5 million profit for a single season.

 the web addresses are brief descriptions pointing out key links and the sites benefits Bookmarking these sites will help
 readers in future research or throughout their careers **American English File 3e Level 4 Student Book** Christina
 Latham-Koenig, Clive Oxenden, Jerry Lambert, 2020-07-28 American English File Second Edition retains the popular
 methodology developed by world renowned authors Christina Latham Koenig and Clive Oxenden language motivation
 opportunity With grammar vocabulary and pronunciation practice in every lesson students are equipped with a solid
 foundation for successful speaking Plus an array of digital resources provides even more choice and flexibility Students can
 learn in the classroom or on the move with Online Practice language assessment The first goal is to explore the difference
 between fairness and justice in language assessment The authors distinguish internal and external dimensions of the
 equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access
 to education and employment immigrant status citizenship and other rights The second goal is to show how the extent of test
 fairness can be demonstrated and improved using the tools of psychometrics in particular the models collectively known as
 Rasch measurement This book will have an enormous impact on the field of language assessment Using Rasch analysis
 models to explore and identify sources of unfairness the authors make a compelling case for fairness in the design and
 implementation of language assessment instruments and for justice in the interpretation and use of test results A real
 strength of the book is that it guides readers through analytical techniques in an accessible way Dan Douglas Professor
