Visions Of The Goddess Penguin Studio Books:

Goddesses Burleigh Mutén, 2003 Britomartis goddess of the moon was a clever active girl who loved to hunt with her bow and arrows Britomartis was sacred to fishermen hunters and sailors **A World of Faith** Carolyn Pogue, 2007-10 This is a comprehensive book covering most of the world's main religions in a captivating and accessible way that invites and inspires teens to look beyond their own faith and to explore the universality of spirituality that is rooted in everyone Interviews with young people are the basis of many of the chapters Full colour photos and comments allow teens to appreciate how the influences of different faith traditions affect other lives in a relevant way **The Original Buddhist Psychology** Beth Jacobs, Ph.D., 2017-06-27 Drawing on decades of experience a psychotherapist and Zen practitioner makes the Abhidharma the original psychological system of Buddhism accessible to a general audience for the first time The Abhidharma one of the three major text collections of the original Buddhist canon explores the critical juncture of Buddhist thought and the therapeutic aspects of the religion and meditation It frames the psychological system of Buddhism explaining the workings of reality and the nature of the human mind Composed of detailed matrixes and lists that outline the interaction of consciousness and reality The Abhidharma explores the essence of perception and experience and the reasons and methods behind mindfulness and meditation Because of its complexity the Abhidharma has traditionally been reserved only for academic or monastic study now for the first time clinical psychologist Beth Jacobs makes this dynamic important text and its teachings available to general readers using practical explanation personal stories and vivid examples to gently untangle the technical aspects of the Abhidharma Jacobs work illuminates this classic of Buddhist thought highlighting the ways it can broaden and deepen our experience of the human psyche and offering profound insights into spiritual practice *New Books on Women and Feminism*, 2000 *Herbal Allies* Robert Rogers, 2017-06-27 Twenty plants including familiar trees like the aspen birch spruce and poplar as well as lesser known plants like Labrador tea cow parsnip and buffalo berry form the soul of herbalist Robert Rogers's medicine kit Herbal Allies chronicles the journey that led Rogers to become an herbalist and shares his deep knowledge of the plants that shaped his practice The author weaves personal experience observations knowledge from indigenous healers and many years of expertise from his practice as a professional herbalist and clinical professor to present a unique and fascinating narrative that not only limns one man's vital connection to plants but also provides invaluable information on effectively using plant medicine for the prevention and treatment of a variety of health conditions **Mother / Nature** Catherine M. Roach, 2003-01-30 This brief but ambitious book explores our relationship with nature through the imagery we use when we talk about Mother Nature Employing the critical tools of religious studies psychology and gender studies Catherine M Roach examines the various manifestations of nature as mother and what that idea implies for the way we approach the natural world Part One Nature as Good Mother discusses the notion that nature is or is like a beneficent and nurturing mother who provides and maintains life In studying the green slogan Love Your Mother

Roach questions the effects for women and for the environment of imputing female gender to nature. She asks us to look at the associations that motherhood and mothering carry within a culture still shaped by patriarchy. She notes the danger of such an apparently pro environmental slogan if mother evokes the bountiful self sacrificing provider who herself requires no care. Part Two Nature as Bad Mother looks at the contrary notion of nature as a violent threatening and wrathful mother. This image arises most often when humans and technology are depicted as masters of unruly nature. Here Roach draws on theological reflection to analyze this ambivalence toward nature manifested in a fantasy that casts humans as gods. She explores the contributions of eco theology and eco psychology to a heart of darkness perspective. Finally Part Three Nature as Hurt Mother looks at possibilities and pitfalls of environmental healing inherent in the image of nature as a mother we have wounded and now seek to heal.

Visions of the Goddess Sherrill Miller, 1998 Through breathtaking photos of natural landscapes and in depth histories of goddess archetypes for each region shown this volume takes readers back in time through the eyes of the ancient peoples. 125 color photos.

African American Magick Stephanie Rose Bird, 2023 The changing of the seasons can feel magical green leaves transforming into browns and golds snow melting to show fresh buds. We all recognize these telltale signs but few of us are aware of the powerful impact each season has on our spiritual lives. Whether sunny snowy windy rainy cold or humid the weather has a dramatic effect on our being wherever we may live. African American Magick A Modern Grimoire for the Natural Home examines the magical ability of the seasons to enhance our lives as Stephanie Rose Bird unearths ancient techniques rituals and methods from around the world that use each season's inherent energies to supplement body mind and soul. Drawing upon her own ancestral heritage as well as those from neighboring cultures and those that have influenced her Bird provides tips techniques potions spells and rituals unrestricted by geographic borders or magical path. Bird's wisdom and expert botanical knowledge open the path to a holistic and magickal life.
