## **What We Lost In The Dark What We Saw At Night:**

**What We Lost in the Dark** Jacquelyn Mitchard, 2013-12-17 Allie Kim's fatal allergy to sunlight XP still confines her to the night. Now that she's lost her best friend Juliet to an apparent suicide, the night has never felt darker, even with Rob at her side. Allie knows why Juliet killed herself to escape the clutches of Garrett Tabor, whom Allie saw committing an unspeakable crime. Garrett is untouchable; the Tabors founded the world-famous XP clinic that keeps Allie and Rob alive, and their small Minnesota town on the map. Allie can't rest until Garrett is brought to justice. But her obsession jeopardizes everything she holds dear. Not even Parkour can distract her; nothing reminds her more that Juliet is gone. When Rob introduces Allie to the wildly dangerous sport of nighttime deep diving, Allie assumes he's only trying to derail her investigation until they uncover the terrible secret Garrett Tabor has hidden under Lake Superior. **What We Saw at Night** Jacquelyn

Mitchard, 2013-01-08 Like the yearning, doomed young clones in Ishiguro's *Never Let Me Go*, three teenagers with XP, a life-threatening allergy to sunlight, are a species unto themselves. As seen through the eyes of 16-year-old Allie Kim, they roam the silent streets looking for adventure while others sleep. When Allie's best friend introduces the trio to Parkour, the stunt sport of running and climbing off forest cliffs and tall buildings, risky in daylight and potentially deadly by darkness, they feel truly alive, equal to the daytimers. On a random summer night while scaling a building like any other, the three happen to peer into an empty apartment and glimpse an older man with what looks like a dead girl. A game of cat and mouse ensues that escalates through the underground world of hospital confinement, off the grid sports, and forbidden love. Allie, who can never see the light of day, discovers she's the lone key to stopping a human monster. *The Lamb among the Stars Collection: The Shadow and Night / The Dark Foundations / The Infinite Day* Chris Walley, 2019-01-08

This collection bundles Chris Walley's entire epic *Lamb among the Stars* series into one e-book for a great value. 1. *The Shadow and Night*: In the first book in the epic *Lamb among the Stars* series, author Chris Walley weaves the worlds of science and the spirit, technology, and supernatural into something unique in science fiction. Twelve thousand years into the future, the human race has spread across the galaxy to hundreds of terraformed worlds. The effects of the Fall have been diminished by the Great Intervention, and peace and contentment reign under the gentle rule of the Assembly. But suddenly, almost imperceptibly, things begin to change. On the remotest planet of Farholme, Forester Merril D. Avanos hears one simple lie. Slowly, a handful of men and women begin to realize that evil has returned and must be fought. What will this mean for a people to whom war and evil are ancient history? Thus begins the epic that has been described as if C. S. Lewis and Tolkien had written *Star Wars*. *The Shadow and Night* was previously published in two volumes: *The Shadow at Evening* and *The Power of the Night*. 2. *The Dark Foundations*: *The Dark Foundations* continues the epic story begun in *The Shadow and Night*. Far beyond the tranquility of the Assembly worlds, Nezhuala, Lord Emperor of the Dominion, is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly. Back on Farholme, Commander Merril D. Avanos recovers from his wounds after the

battle at Fallambet where the intruders were destroyed Yet even as Merral dreams of a return to peace he receives a warning of imminent war on a massive scale he cannot ignore Amid the urgent preparations for battle Merral and his friends realize the inadequacy of their defenses Then with weeks to spare before the predicted eve of war Merral receives an offer of assistance from the strangest of sources But can it be trusted As the wave of war finally crashes over Farholme Merral must find the answer to other questions in the heat of battle Can Farholme survive the growing internal strains Who will pay the price for victory Will his own weaknesses undo both him and his world 3 The Infinite Day Vero you remember you once said there were people who would follow me to the gates of hell A figure of speech We d better find them That s where we re going After the defeat of the evil Dominion forces at Farholme Commander Merral D Avanos prepares a task force to rescue thirty hostages captured by the fleeing Margrave Lezaroth Merral s only hope is that he can get to the hostages before they re taken to Lord Emperor Nezhuala at the Blade of Night the nexus of the Dominion s power But in order to get there Merral and his crew will have to survive a perilous trip through Below Space Meanwhile news of the Dominion s defeat at Farholme reaches Ancient Earth but is tempered by the sobering truth of the enemy s growth and strength It is now clear that an attack on the Assembly is imminent but how far should the Assembly go to stop it And does the real danger lie in the Dominion or in the subtle evil that has arrived at the heart of the Assembly itself The Infinite Day is the thrilling conclusion to the epic Lamb among the Stars series that has readers and critics raving
