When the Magisterium Intervenes Richard R. Gaillardetz, 2012 **When the Magisterium Intervenes** Richard R. Gaillardetz, 2012 The book concludes with The Elizabeth Johnson Dossier a set of documents essential to understanding the case of Elizabeth Johnson CSJ whose work was recently the subject of criticism by the United States Conference of Catholic Bishops Book jacket Healing Fractures in Contemporary Theology Peter John McGregor, Tracey Rowland, 2022-01-20 Since Vatican II the key question that has developed in Catholic theology often unstated or unrecognized is what is theology The thesis presented here is that contemporary theologizing is fractured in many places and to varying degrees These fractures can vary in seriousness between theologians and a particular theologian may suffer from some fractures but not others The fractures addressed here are between theology and spirituality theology and philosophy theology and liturgy the literal and spiritual senses of sacred scripture theology preaching and apologetics theology and ethics theology and social theory dogmatic and pastoral theology theology and the koinonial Christian life theologians and non theologians the generation gap between Gen X and Millennial Post Millennial Catholics and theology and the Magisterium For each of these an attempt is made to examine the symptoms give a diagnosis and write a prescription **Dissident Women, Beguines, and the Quest for Spiritual Authority** Catherine Lambert, 2024-11-12 *Dissident Women Beguines and the Quest for Spiritual Authority* focuses on the responses of a group of twenty first century women to the lives and writings of thirteenth century beguine mystics and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries For contemporary women who are disenchanted with the institutional church and who seek spiritual direction models deeply rooted within the tradition may not be the most helpful The author explores the value of exemplars from the fringes ushering Hadewijch of Brabant Mechthild of Magdeburg and Marguerite Porete into the spotlight The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys Their encounters underline the importance of remembering the beguine mystics the value of contemplative engagement with historical mystics and the need for explicit validation of the richness of the edges of tradition within spiritual direction *Dissident Women Beguines and the Quest for Spiritual Authority* will be of particular interest to scholars of mysticism and spirituality as well as practical pastoral and feminist theology The ^A Future of Catholic Higher Education James L. Heft, 2021-06-04 *The Future of Catholic Higher Education* advances a vision of the Catholic University that is neither a closed circle of only Catholics nor a market place of ideas with no distinctive mission but rather an open circle one that fosters the Catholic intellectual tradition by including scholars of many religions rooting Catholic social thought in Catholic doctrine defending academic freedom and the mandatum Drawing upon his extensive experience James Heft lays out the current state of Catholic Higher Education and what needs to be done to ensure that Catholicism isn't phased out of the educational system Heft analyzes the foundational intellectual principles of Catholic Higher Education and both the strengths and

weaknesses of the present day system in order to look at possibilities for its future

Virtual Communion

Katherine G. Schmidt,2020-05-22 Virtual Communion Theology of the Internet and the Catholic Sacramental Imagination provides a theological account of the internet from a Catholic perspective It engages digital culture by providing a context for media and mediation within the Catholic tradition specifically focusing on the ecclesiology and sacramentality of the church Katherine G Schmidt argues that the Catholic imagination is inherently consonant with the idea of the virtual understood as the creative space between presence and absence bringing the fields of media studies internet studies sociology history and theology together in order to give a theological account of the social realities of American Catholicism in light of digital culture Overall Schmidt argues that the social possibilities of the internet afford the church great opportunity for building a social context that allows the living out of Eucharistic logic learned in properly liturgical moments

Theological Dissent in Post-Vatican II Catholicism Anthony

Devlin,2025-12-03 This book examines the reality of theological dissent in the Catholic Church in the decades since the Second Vatican Council 1962 1965 and its relation to the problematic search for certainty and doctrinal consistency in addressing the complexities of moral decision making in the contemporary world Concern for the fundamental dignity of the human person and the tension between obedience and the ultimate freedom in conscience of the believer within the boundaries of the institution have informed successive episodes of dissent and their attempted suppression in the post Conciliar period Neuralgic issues in sexual ethics feminist theology the role of women in the Church and theologies of liberation have presented profound challenges to magisterial authority resulting in a fracturing of the faith community and the persistence of a progressive conservative divide The Church s Synodal turn meanwhile has presented new possibilities for a dialogical approach to dissent emphasizing discernment and principles of participation and co responsibility focusing on a dialectical approach to unsettled questions and inviting a diversity of theological expression Equally however conservative dissent and entrenched opposition to the possibility of transposing hitherto adversarial postures into a more constructive and collaborative frame present a growing threat to unity in a polarized world now increasingly tempted by totalitarianism and losing the capacity for constructive disagreement The book will be of particular interest to scholars and general readers in theology ecclesiology and religious studies

The Ecumenical Review ,1986

Inside the Vatican ,1998

The

Encyclicals of John Paul II Catholic Church. Pope (1978-2005 : John Paul II),Pope John Paul II,1996 A study of Pope John Paul

II's encyclicals reveals the vision and strategy of his pontificate. It is a vision which at once recalls the mysteries of faith and appeals to all men and women of good will to build the future on a firm spiritual and ethical foundation. *The Catholic Tradition* Timothy McCarthy, 1998. This expanded second edition of the original bestseller traces profound changes in Catholicism's institutional, intellectual, and devotional life in the 20th century. Organized by theme, *The Catholic Tradition* explains Church thinking prior to Vatican II, Church thinking now, and the how and why of Council changes. A new chapter examines the role of women in the Church. Dictionary of Moral Theology Francesco Roberti, 1962. **Abstracts of Karl Rahner's Theological Investigations 1-23** Daniel T. Pekarske, 2002. Everyone familiar with Rahner's great 23-volume *Theological Investigations* knows the series is hard to use because it lacks a key. The titles often fail to describe the contents of the essays accurately; there is no cumulative index in English; the existing indices at the end of each volume are tedious and failed to distinguish significant discussions of a topic from casual references; and short of wading through an entire essay, there is no way to know quickly whether it contains the material one is looking for. This book attempts to address these problems. *The Pope Speaks*, 1999. Includes recent papal letters, addresses, and other major Church documents. Origins, 2002. *Boletín Eclesiástico de Filipinas*, 1993. **Obedience in the Church** Alois Müller, 1966. Agenda for the Third Millennium Pope John Paul II, 1996. Addresses the issues facing Catholics and Christians in the new century to come, presenting advice and theology to support and help them.
