of the United States, in order to secure domestic Tranquillity, provide for the common defence, promote the general Welfare, and secure Liberty, do ordain and establish this Constitution for the United States of America.

Article 1.

Section 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

Section 2. The House of Representatives shall be composed of Members chosen every second Year in each State, who shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.
No Person shall be a Representative who shall not have attained to the Age of twenty five Years, and seven Years, and who, when elected, shall not, when elected, be an Inhabitant of that State in which he shall be chosen.

Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Year, and three fifths of all other Persons. The actual Enumeration shall be made within three Years after the first Meeting of the Congress, and within every subsequent Term of ten Years, in such Manner as they shall by Law direct. The Number of Representatives shall not exceed one for every thirty Thousand, but each State shall have at least one Representative, and until such Enumeration, the Number of Representatives shall be apportioned among the States as follows: New Hampshire eight, Massachusetts eight, Rhode Island and Providence Plantations one, Connecticut one, Maryland one, Virginia ten, North Carolina five, South Carolina five, and Georgia three.
When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue Writs of Election to fill such Vacancies.

Section 3. The House of Representatives shall choose their Speaker and other Officers; and shall have the sole Power of Impeachment.
Section 4. The Senate of the United States shall be composed of two Senators from each State, who

Writing The U S Constitution Our American Story:

Our American Story Hank Thomas, 2022-05-10 Almost nobody approves of the way our government is working Almost everybody agrees that money in the form of political donations is a major part of the problems we witness Corporate and special interest donations are seen as the most egregious parts of the political finance problem Our history books are not as complete as they arguably should have been when it comes to some of our more controversial historical events It is difficult to imagine any reason for these omissions that does not involve malice on the part of the author After all when was the last time someone came to you with information they did not want you to have The goal of this book is to offer ideas about how we might fix the political dysfunction that dominates our daily news and conversation The reader will I hope find themselves drawn into a conversation that will be comfortable and productive when it comes to their involvement The more we talk to one another the more likely it will be that we begin to agree on solutions to our current political problems *Writing the U.S. Constitution* Lori Mortensen, 2009-07 The men argued all summer in the hot room The United States needed a new government But would the Founding Fathers be able to agree on a plan Here s the story **Our American Story** Joshua A. Claybourn, 2019-06 Over the past few decades the complicated divides of geography class religion and race created deep fractures in the United States each side fighting to advance its own mythology and political interests We lack a central story a common ground we can celebrate and enrich with deeper meaning Unable to agree on first principles we cannot agree on what it means to be American As we dismantle or disregard symbols and themes that previously united us can we replace them with stories and rites that unite our tribes and maintain meaning in our American identity Against this backdrop Our American Story features leading thinkers from across the political spectrum Jim Banks Pulitzer Prize winner David W Blight Spencer P Boyer Eleanor Clift John C Danforth Cody Delistraty Richard A Epstein Nikolas Gvosdev Cherie Harder Jason Kuznicki Gerard N Magliocca Markos Moulitsas Ilya Somin Cass R Sunstein Alan Taylor James V Wertsch Gordon S Wood and Ali Wyne Each draws on expertise within their respective fields of history law politics and public policy to contribute a unique perspective about the American story This collection explores whether a unifying story can be achieved and if so what that story could be *U.S. Constitution* Kathryn Clay, 2016-01-01 Introduces young readers to primary sources related to the U S constitution The American Story David M. Rubenstein, 2019-10-29 Co founder of The Carlyle Group and patriotic philanthropist David M Rubenstein takes readers on a sweeping journey across the grand arc of the American story through revealing conversations with our greatest historians In these lively dialogues the biggest names in American history explore the subjects they ve come to so intimately know and understand David McCullough on John Adams Jon Meacham on Thomas Jefferson Ron Chernow on Alexander Hamilton Walter Isaacson on Benjamin Franklin Doris Kearns Goodwin on Abraham Lincoln A Scott Berg on Charles Lindbergh Taylor Branch on Martin Luther King Robert Caro on Lyndon B Johnson Bob Woodward on Richard Nixon And many others including a special conversation with Chief Justice John Roberts Through his

popular program The David Rubenstein Show David Rubenstein has established himself as one of our most thoughtful interviewers Now in The American Story David captures the brilliance of our most esteemed historians as well as the souls of their subjects The book features introductions by Rubenstein as well a foreword by Librarian of Congress Carla Hayden the first woman and the first African American to lead our national library Richly illustrated with archival images from the Library of Congress the book is destined to become a classic for serious readers of American history Through these captivating exchanges these bestselling and Pulitzer Prize winning authors offer fresh insight on pivotal moments from the Founding Era to the late 20th century

To Rescue the Constitution Bret Baier, 2023-10-10 Instant New York Times Bestseller 1 New York Times bestselling author Bret Baier reveals how George Washington saved the Constitution and the American experiment To Rescue The Constitution is a masterful exploration of the electrifying struggle to unite a young United States Jay Winik A sweeping narrative ranging from the unsettled early American frontier and the battlefields of the Revolution to the history making clashes within Philadelphia s Independence Hall Bret Baier s To Rescue the Constitution dramatically illuminates the life of George Washington the Founder who did more than perhaps any other individual to secure the future of the United States George Washington rescued the nation three times first by leading the Continental Army to victory in the Revolutionary War second by presiding over the Constitutional Convention that set the blueprint for the United States and ushering the Constitution through a fractious ratification process and third by leading the nation as its first president There is no doubt that the struggling new nation needed to be rescued and that Washington was the only American who could bring them together After the victorious War of Independence when a spirit of unity and patriotism might have been expected instead the nation fractured The states were no more than a loosely knit and contentious confederation with no strong central union It was an urgent matter that led to the calling of a Constitutional Convention to meet in Philadelphia during the summer of 1787 Setting aside his plan to retire to Mount Vernon Washington agreed to be a delegate at Philadelphia There he was unanimously elected president of the convention After successfully bringing the Constitution into being Washington then sacrificed any hope of returning to private life by accepting the unanimous election to be the nation s first president Washington was not known for brilliant oratory or prose but his quiet steady leadership gave life to the Constitution by showing how it should be enacted In this vivid and moving portrait of America s early struggles Baier captures the critical moments when Washington s leadership brought the nation from the brink of collapse Baier exposes an early America that is grittier and far more divided than is often portrayed one we can see reflected in today s conflicts
