Thieves In The Church

Saint Augustine (Bishop of Hippo.)

Thieves In The Church:

The Bible Theft Peter Sanlon, 2019-01-02 Thieves operate in this area is a familiar warning in many places airports railway stations supermarkets But is this warning also necessary for the church The thieves Peter Sanlon cautions against are not those who would take the church silverware the weekly collection or the lead on the roof He is concerned about those who would steal something more valuable from the church the clear teaching of the Bible In this volume Dr Sanlon looks at key passages in the New Testament that address false teaching He knows the damage it does when God's Word is replaced with human invention Christians are confused fellowship is broken and the Church loses its confidence to declare the gospel of Jesus Christ in the world This is a manual for local churches to engage in crime prevention to protect themselves against the heinous crime of stealing God's Word from God's Church Foreword by the Most Reverend Doctor Foley Beach Archbishop of the Anglican Church in North America and Chairman elect of GAFCON WHAT OTHERS HAVE SAID Here is a series of penetrating expositions which are clearer and contemporary bringing God's changeless Word to bear on a confused and changing World Such preaching has been called logic on fire some of these sermons are white hot A much needed message for today Highly recommended reading The Revd Melvin Tinker Vicar St John Newland Hull These sermons prepare a church family to stand by the Truth in a post Christian culture What I love about Peter's material is that it has already been tried and tested in the local church It didn't go from desk to book but from desk to pulpit to congregation to book That gives it an integrity and a credibility which is to be cherished So this material has already inspired and protected the flock Peter wonderfully combines love and truth faithfulness and pastoral care I thoroughly commend this resource from the trenches of church life The Revd Rico Tice Senior Minister for Evangelism All Souls Langham Place In a period of great turmoil in the church of Jesus Christ globally Peter Sanlon has given us a model of preaching which addresses the reality of institutional false teaching with great clarity authority and sensitivity The sermons in this book will warm the heart and clear the head for effective engagement with the issues at stake in our current climate They will also refresh those who are weary in the struggle The Revd Dr Liam Goligher Senior Minister Tenth Presbyterian Church Philadelphia *Thieves in the Temple* G. Jeffrey MacDonald, 2010-03-30 Though waves of cynics and atheists claim that America is too religious G Jeffrey MacDonald disagrees America's churches he argues have abandoned their sacred role as dispensers of community values and instead are increasingly serving up entertainment aerobics yoga classes and other services that have nothing to do with religious faith As religion becomes more consumer oriented congregants are able to avoid the moral intellectual and theological commitments Christianity requires by simply joining a different and less rigorous church Grounded in journalism personal experience and Christian theology *Thieves in the Temple* is an impassioned and provocative cri de coeur for a new religious reformation Incisively critiquing today's dangerous movement away from true religion MacDonald demonstrates just how much Americans stand to lose when churches sell their souls to recruit parishioners Thieves in the Church Joe Crews, 1980

Shaping Church Law Around the Year 1000 Greta Austin, 2009 Drawing upon new manuscript discoveries the author shows how Burchard tried to create a new text that would address these problems He carefully selected and compiled canons from earlier collections and then went on to tamper systematically with the texts he had chosen By doing so he created a book of church law that appeared to be based on indisputable authority that was internally consistent and that was easy to apply through logical extrapolation to new cases The present study thus provides a window into the development of legal and theological reasoning in the medieval West and suggests that thanks to the work of ambitious bishops the flowering of law and theology began far earlier and for different reasons than scholars have heretofore supposed **BOOK JACKET** *The Homilies On John* St. Augustine of Hippo, St Augustine was an indefatigable preacher He considered regular preaching an indispensable part of the duty of a bishop To his homilies we owe most of his exegetical labors The homilies were delivered extempore taken down by scribes and slightly revised by Augustin They retain their colloquial form devotional tone frequent repetitions and want of literary finish He would rather be deficient in rhetoric than not be understood by the people He was cheered by the eager attention and acclamations of his hearers but never fully satisfied with his performance My preaching he says almost always displeases me I eagerly long for something better of which I often have an inward enjoyment in my thoughts before I can put them into audible words Then when I find that my power of expression is not equal to my inner apprehension I am grieved at the inability of my tongue to answer to my heart De Catech Rudibus ch II 3 in this Series Vol III 284 His chief merit as an interpreter is his profound theological insight which makes his exegetical works permanently useful This volume contains The Homilies or Tractates on the GOSPEL OF JOHN In Joannis Evangelium Tractatus CXXIV Augustin delivered them to his flock at Hippo about A D 416 or later **Homilies on the Gospel of John; Homilies on the First Epistle of John; Soliloquies** Saint Augustine, *The Living Church*, 1978 **NPNF1-07. St. Augustine: Homilies on the Gospel of John; Homilies on the First Epistle of John; Soliloquies**, *The Works of Aurelius Augustine ...* Saint Augustine (Bishop of Hippo.), 1884 **The Hibernensis** Roy Flechner, 2019 The Hibernensis is the longest and most comprehensive canon law text to have circulated in Carolingian Europe Compiled in Ireland in the late seventh or early eighth century it exerted a strong and long lasting influence on the development of European canon law The present edition offers for the first time a complete text of the Hibernensis combining the two main branches of its manuscript transmission This is accompanied by an English translation and a commentary that is both historical and philological The Hibernensis is an invaluable source for those interested in church history the history of canon law social economic history as well as intellectual history and the history of the book Widely recognized as the single most important source for the history of the church in early medieval Ireland the Hibernensis is also our best index for knowing what books were available in Ireland at the time of its compilation it consists of excerpted material from the Bible Church Fathers and doctors hagiography church histories chronicles wisdom texts and insular normative material unattested elsewhere This in addition to the staple sources

of canonical collections comprising the acta of church councils and papal letters Altogether there are forty two cited authors and 135 cited texts But unlike previous canonical collections the contents of the Hibernensis are not simply derivative they have been modified and systematically organised offering an important insight into the manner in which contemporary clerical scholars attempted to define interpret and codify law for the use of a growing Christian society
