Things You Know By Heart 1001 Questions From The Songs Of Jimmy Buffett:

Things You Know by Heart Olaf Nordstrom, 2011-07-01 TRIVIA IS NOT THE WORD for the stuff in this book Significance might be more like it After all when it comes to the songs of Jimmy Buffett and to those who enjoy them not a single syllable seems trivial about the lyrics Everything is significant even the goofiest things That's the reason why Nordstrom first put together this book of questions based on absolutely nothing other than the words in Jimmy's music Nordstrom's simple plan was this If Jimmy doesn't sing it then I simply won't ask about it And because every true Parrot Head knows by heart the words to every one of Jimmy's songs it only follows that you must know the answers to these questions as well Just as time and tide wait for no man though Jimmy wasn't about to sit still for Nordstrom Since the very first edition of this book way back in the last millennium Jimmy's cranked out a few more albums compiled some performances on screens of all sizes written more than a few best selling books and even brought home a music award or two all of which are entwined with his lyrics like vines around some mahogany tree deep in a tropical jungle And so with this eighth edition Nordstrom's not only posing his 1001 questions promised on this cover but also asking a few score more about the lyrical connections to everything else that Jimmy has been up to As you thumb through these pages then you'll be pleasantly surprised to see how much you really do know by heart And you'll happily discover that all of those hours spent listening to Jimmy's music at last have found a practical purpose

Billboard, 1985-03-30 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Jimmy's Buffet Olaf Nordstrom, 2010-02 Jimmy Buffett didn't write this book but he most certainly drew up the menu in his writings and lyrics alike Accepting the advice to write what you know about Jimmy's spent more than forty years telling Parrotheads quite a bit of what he knows places he's been books he's read drinks he's imbibed and yes even food that he has eaten In fact Jimmy has set out quite a buffet for Parrotheads who tend to eat up his every word As a literary remora of sorts feeding off the crumbs of Jimmy's writings Nordstrom decided long ago to go over all the songs and all the books to make a catalogue of all that food The result of that work was *The Margaritaville Cookbook* a volume sold exclusively through Margaritaville for more than fifteen years Now Nordstrom has revised and renewed the work as *Jimmy's Buffet Food for Feeding Friends and Feeding Frenzies* Available wherever books are sold this Margareader edition still reflects the eclectic tastes of a vagabond whose work has kept him comfortably in the tropics To be sure there's the occasional foray to New Orleans to Nantucket and even to France but much of Jimmy's Buffet tends to linger among those little latitudes So it's sort of like swallowing the equator and Parrotheads the world over will be pleasantly surprised at what Jimmy has eaten down through the years Of course now and then Jimmy says he's going to write his own cookbook someday but Nordstrom really doesn't see that anywhere on the horizon Not that Bubba wouldn't be able to do it but when would he ever find the time So

til that day comes along Jimmy's Buffet will just have to do And Parrotheads will discover that it does that very well **The Jimmy Buffett Trivia Book** Thomas Ryan, 1998 Excluding Deadheads there has never been a larger or more consistently loyal fan base than Jimmy Buffett's Parrotheads From beach bums to lawyers surfers to physicians everybody loves Jimmy Buffett Here is a compendium of trivia questions about his life music and writings Divided chronologically each chapter is packed with tantalizing facts interspersed with candid and provocative reviews of each album Photos throughout
