Third Times The Charm Across Time:

Third Times the Charm Robert Howell, 2007-05-04 A story of witchcraft orphans and a dangerous search for home
Lower cover **Psalm 29 through Time and Tradition** Lowell K Handy, 2011-08-25 Psalm 29 a sacred text in Jewish and Christian Bibles has been understood in a variety of ways through time and in different traditions This volume presents a sample of the use and meaning derived from a single biblical text From the earliest translations to contemporary African Independent Churches this psalm has been an integral part of synagogue and church but what it has meant and how it is used is a fascinating journey through human culture Not only the understanding of the written word but also the liturgical use and the musical adaptations of a biblical text are considered here This is a book for anyone scholar student or laity with an interest in the Bible in its many contexts *A Black Girl's Truth* Destiny Gilchrist, 2022-11-30 The truth holds no lies Lies are what ties you down and tapes your mouth shut We can run away from all the things we fear We can hide our troubles with beauty but a lie will always catch you The truth is the only thing that will set you free I didn't believe that until I wrote it In this life we will all face many questions and sometimes we won't find the answers How do you know the difference between what's real and what's fake How do you breathe when you are underwater What's the hardest part about goodbye Every story every hope and every word have a purpose Pen against the pad was like me against the world Told from not only my eyes but my heart and now the words are written for all to see You can not only read my truth but also find answers to your own questions Destiny Gilchrist **Absence of Light** Jeremiah E. L. Wallace, 2023-10-14 A collection of poems illustrating the darkness that lurks within our hearts caused by the world colluding against us The light bulb depicted on the cover symbolizes the light at the end of a dark tunnel Only time will tell if you can make it out unscathed or if therapy for loved ones is needed after your wake Time Heist Anthony Vicino, 2014-11-30 Find his wife's killer Stop a war Save the world Again A fast paced technothriller with enough action to power a Hollywood blockbuster Ted Cross Author of The Immortality Game The heist that finally broke Time Vice Detective Tom Mandel ended with one million people his wife included dead Crushed beneath the weight of all those lost souls he fled to the Lowers to run out the remaining time on his Life Tracker in one long drug blurred haze He's ready to die but the world won't let him off so easy Not when mass murderer Malcolm Wolfe mysteriously wakes from a chemically induced coma and somehow escapes prison There's a fine line between justice and vengeance one Tom's prepared to cross But what will he do when he discovers the real reason a million people died and why it has to happen again Time Heist is the first book in The Firstborn Saga featuring fast paced action thrilling suspense and complex characters If you like Jim Butcher William Gibson and Chuck Wendig then you'll love this captivating post apocalyptic adventure Interview with the Author Q How would you describe Time Heist and The Firstborn Saga A Time Heist is William Gibson's Neuromancer meets Jim Butcher's Dresden Files Lots of fantastical technology mixed with average everyday people thrown into situations seething with action mystery and intrigue At its core Time Heist is the story of a

broken man just trying to earn a bit of peace of mind before his death Q Why cyberpunk A I remember reading Neal Stephenson s Snow Crash and thinking If only I could write something half as cool as that They say cyberpunk is dead but I disagree It s never been more relevant Technology is constantly taking huge leaps forward advancing at breakneck speeds One of the strengths of sci fi has always been its ability to consider how these technologies might influence the future The possibilities are limitless which is where The Firstborn Saga really hits its stride It s a triptych of trilogies which means three stand along trilogies all tied within the same universe It ll be a galaxy spanning affair when it s all said and done Q What does it mean to you when readers pick up your books A It s incredibly humbling For so long I ve saved away at the keyboard in obscurity To have my words out in the world being read by fans across the world is a bit surreal I don t know if I ll ever be a best seller like Hugh Howey but so far I ve met a slew of wonderful people both readers and fellow authors alike which has made the whole publishing adventure unforgettable Thanks to everybody who s taken the time to pick up one of my stories I can t tell you how much it means to me
