Religion and the Good Life Marcel Sarot, W. Stoker, 2022-01-04 Studies in Theology and Religion 10 In this volume, fourteen philosophers of religion reflect on religious views of the good life. Some authors focus on positive religion and its specific religious representations of the good life, while others abstract from these and focus on philosophical religion and its conceptual articulations of the good life. The tension between positive religion and philosophical religion between representation and concept is itself also analyzed. This volume is a result of the co-operation of the philosophers of religion who are senior members of the Netherlands School for Advanced Studies in Theology and Religion. Gordon Merrick and the Great Gay American Novel Joseph M. Ortiz, 2022-05-23
 Gordon Merrick and the Great Gay American Novel is the first biography of Gordon Merrick the most commercially successful writer of gay novels in the twentieth century This book shows how Merrick's novels were largely based on his own life and time as a Princeton theater star a Broadway actor a New York reporter an OSS spy and the friend of countless artists and celebrities as an expatriate in France Greece and Sri Lanka He lived much of his life as an openly gay man with his longtime partner Charles Hulse His 1970 novel *The Lord Won't Mind* broke new ground by showing that an affirming explicitly gay novel could be a bestseller His subsequent gay novels were both a cultural phenomenon and a lightning rod for literary critics This book also examines the complex often conflicting responses to Merrick's novels by gay readers and critics and it thus recovers the early post Stonewall debates over the definition of gay literature By reconstructing Merrick's life and critical fortunes this book expands our understanding of what it means to be a gay man in the twentieth century
