This House Has Fallen Nigeria In Crisis:

This House Has Fallen Karl Maier, 2009-04-29 To understand Africa one must understand Nigeria and few Americans understand Nigeria better than Karl Maier This House Has Fallen is a bracing and disturbing report on the state of Africa's most populous potentially richest and most dangerously dysfunctional nation Each year with depressing consistency Nigeria is declared the most corrupt state in the entire world Though Nigeria is a nation into which billions of dollars of oil money flow its per capita income has fallen dramatically in the past two decades Military coup follows military coup A bellwether for Africa it is a country of rising ethnic tensions and falling standards of living very possibly on the verge of utter collapse a collapse that could dramatically overshadow even the massacres in Rwanda A brilliant piece of reportage and travel writing This House Has Fallen looks into the Nigerian abyss and comes away with insight profound conclusions and even some hope Updated with a new preface by the author **This House Has Fallen Custom Edition** Karl Maier, 2013-09-10 [This Fiction Called Nigeria](#)

Adéwálé Májà-Pearce, 2024-10-08 In this groundbreaking work the essayist and critic Adewale Maja Pearce delivers a mordant verdict on Nigeria's crisis of democracy A mosaic of ethnic and religious groups the most populous country in Africa was fabricated by British colonizers at the turn of the twentieth century In the years since its independence in 1960 Nigeria spent an unbroken quarter century as a military dictatorship Yet the blessings of today's democracy are unclear to many especially among the more than half of the population living in extreme poverty Buffeted by unemployment saddled with debt menaced by bandits and Islamic fundamentalists Nigeria faces the threat of disintegration Maja Pearce shows that recent mobilizations against police brutality sexism and homophobia reveal a powerful undercurrent of discontent especially among the country's youth If Nigeria has a future he shows here it is in the hands of young people unwilling to go on as before *Nigerian Politics and Corruption* Kyrian Chukwuemeka Echekwu, 2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria's politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis Nigerian politics democracy and the power equation among the various arms of government principal biases that characterize Nigerian politics and class affiliation and its impact in Nigerian politics Find out how corruption is ruining Nigeria and discover how the church and government can work together to fix the problem in Nigerian Politics and Corruption **Litpop: Writing and Popular Music** Rachel Carroll, Adam Hansen, 2016-05-13
