William Shakespeare

This Thing Of Darkness This Thing Of Darkness:

Writing Prejudices Robert Samuels, 2001-03-01 Examines the manifestations of racism sexism and homophobia in the literary works of Shakespeare Mary Shelley Joseph Conrad and Toni Morrison **Political Shakespeare** Jonathan Dollimore, Alan Sinfield, 1994 The new wave of cultural materialists in Britain and new historicists in the United States here join forces to depose the sacred icon of the eternal bard and argue for a Shakespeare who meditates and exploits political cultural and ideological forces Ten years on this second edition presents additional essays by Jonathan Dollimore and Alan Sinfield **Shakespeare Studies** J. Leeds Barroll, 1995 Shakespeare Studies is an international volume published every year in hardcover containing more than three hundred pages of essays and studies by critics from both hemispheres

Visions of Caliban Dale Peterson, Jane Goodall, 2000 The authors use Shakespeare's *Tempest* as a metaphor for the relationship between people and chimps exploring the very human aspects of this remarkable species Original

Shakespeare, Contemporary Critical Approaches Harry Raphael Garvin, Michael Payne, 1980 The study and criticism of Shakespeare has always been of major interest in the literary world but never more than in the last ten years The essays in this volume explore Shakespeare's art that is complementary to the experience of his plays The feelings of the essays create a sensitive atmosphere for creative study *Black Frankenstein* Elizabeth Young, 2008-08-10 For all the scholarship devoted to Mary Shelley's English novel *Frankenstein* there has been surprisingly little attention paid to its role in American culture and virtually none to its racial resonances in the United States In *Black Frankenstein* Elizabeth Young identifies and interprets the figure of a black American Frankenstein monster as it appears with surprising frequency throughout nineteenth and twentieth century U S culture in fiction film essays oratory painting and other media and in works by both whites and African Americans *Black Frankenstein* stories Young argues effect four kinds of racial critique they humanize the slave they explain if not justify black violence they condemn the slaveowner and they expose the instability of white power The black Frankenstein's monster has served as a powerful metaphor for reinforcing racial hierarchy and as an even more powerful metaphor for shaping anti racist critique Illuminating the power of parody and reappropriation *Black Frankenstein* tells the story of a metaphor that continues to matter to literature culture aesthetics and politics **Wanton Words**

Madhavi Menon, 2004-01-01 Menon introduces rhetoric into the largely medico juridical realm of studies on Renaissance sexuality In doing so she suggests that rhetoric allows us to think through the erotics of language in ways that pay most attention to the frisson of English Renaissance drama This Thing Called You Ernest Holmes, 2007-12-27 The beloved classic that has awakened generations to the power within One of Ernest Holmes's cornerstone works *This Thing Called You* is an intimate guide through which readers learn the important lesson of how they are an immutable part of the flow of life and how they may fulfill the longing within all of us to live more fully The book details methods of meditation used for healing improving mind and body and reaching one's divine self Included are numerous inspirations meditations and prayers that

individuals can apply to their lives which reveal the unlimited potential of the spiritual psychology that Holmes founded

The Tempest William Shakespeare, 2002-04 The Tempest is one of the most suggestive yet most elusive of all Shakespeare's plays and has provoked a wide range of critical interpretation It is a magical romance yet deeply and problematically embedded in seventeenth century debates about authority and power David Lindley's Introduction and commentary focus upon contemporary texts attending to the implications of Prospero's magic his political and paternal ambitions and the controversial issue of his colonialist control of Caliban The Tempest was also Shakespeare's response to the new opportunities offered by the Blackfriars theatre and careful attention is given to the play's dramatic form stage craft and use of music and spectacle to demonstrate its uniquely experimental nature
