Jerome, 2016-06-30 Three Men in a Boat To Say Nothing of the Dog Jerome K Jerome The chief beauty of this book lies not so much in its literary style or in the extent and usefulness of the information it conveys as in its simple truthfulness Its pages form the record of events that really happened All that has been done is to colour them and for this no extra charge has been made George and Harris and Montmorency are not Poetic ideals but things of flesh and blood especially George who weighs about twelve stone Other works may excel this in depth of thought and knowledge of human nature other books may rival it in originality and size but for hopeless and incurable veracity nothing yet discovered can surpass it This more than all its other charms will it is felt make the volume precious in the eye of the earnest reader and will lend additional weight to the lesson that the story teaches *Three Men in a Boat* Jerome Klapka Jerome, 2004 The most ordinary circumstances turn hilarious as J an idler who exhibits a general disinclination to work of any kind his friends journey up the Thames River Getting into many scrapes along the way the friends consider assulting a policeman just to have a night s lodging in the station house but ultimately reject the proposition fearful that he would hit them back without locking them up The real scene stealer though is Montmorence a small fox terrier who appears to be born with about four times as much original sin in him as other dogs are From back cover *Three men in a boat* Jerome K.
