residents and where Mrs C is a carer on their special very fecking special journey towards happiness B for Baby is a tender sharp witted new play set in a residential care home for people with severe learning disabilities Treating this taboo subject with humanity and humour the piece s acuity and generously compassionate portraits result in a moving if at times uncomfortable drama Poignantly exploring forbidden topics B for Baby invites the reader or audience to rediscover the power and joy of make believe The play was first presented by the Abbey Theatre on the Peacock Stage September 2010
