Expository Discourse in Children, Adolescents, and Adults Marilyn A. Nippold, Cheryl M. Scott, 2013-03-07 School success in the 21st century requires proficiency with expository discourse the use and understanding of informative language in spoken and written modalities This occurs for example when high school students read their textbooks and listen to their teachers lectures and later are asked to demonstrate their knowledge of this complex topic through oral reports and essay examinations Although many students are proficient with the expository genre others struggle to meet these expectations This book is designed to provide information on the use and understanding of expository discourse in school age children adolescents and young adults Recently researchers from around the world have been investigating the development of this genre in typical students and in those with language disorders Although many books have addressed the development of conversational and narrative discourse by comparison books devoted to the topic of expository discourse are sparse This crossdisciplinary volume fills that gap in the literature and makes a unique contribution to the study of language development and disorders It will be of interest to a range of professionals including speech language pathologists teachers linguists and psychologists who are concerned with language development and disorders *The Billboard* ,1926

Polycultural Synthesis in the Music of Chou Wen-chung Mary I. Arlin, Mark A. Radice, 2018-04-17 The displacement of Chou Wen chung from his native China in 1948 forced him into Western European culture Ultimately finding his vocation as a composer he familiarized himself with classical and contemporary techniques but interpreted these through his traditionally oriented Chinese cultural perspective The result has been the composition of a unique body of repertoire that synthesizes the most progressive Western compositional idioms with an astonishingly traditional heritage of Asian approaches not only from music but also from calligraphy landscape painting poetry and more Chou's importance rests not only in his compositions but also in his widespread influence through his extensive teaching career at Columbia University where his many students included Bright Sheng Zhou Long Tan Dun Chen Yi Joan Tower and many more During his tenure at Columbia he also founded the U S China Arts Exchange which continues to this day to be a vital stimulus for multicultural interaction The volume will include an inventory of the Chou collection in the Paul Sacher Stiftung in Basel Switzerland
