The Yellow Wallpaper Charlotte Perkins Gilman, 2016-12-07 *The Yellow Wallpaper* original title *The Yellow Wall paper* A Story is a 6,000 word short story by the American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine*. It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women's health, both physical and mental.

The Yellow Wallpaper by Charlotte Perkins Gilman Charlotte Perkins Gilman, 2014-05-14 It is very seldom that mere ordinary people like John and myself secure ancestral halls for the summer. A colonial mansion, a hereditary estate, I would say a haunted house, and reach the height of romantic felicity, but that would be asking too much of fate. Still, I will proudly declare that there is something queer about it. Else, why should it be let so cheaply? And why have stood so long untenanted? John laughs at me, of course, but one expects that in marriage.

The Yellow Wallpaper, the Complete Original Novella Charlotte Perkins Gilman, 2015-09-02 Many and many a reader has asked that, "When the story first came out in the *New England Magazine* about 1891, a Boston physician made protest in *The Transcript*. Such a story ought not to be written," he said, "it was enough to drive anyone mad to read it." Another physician in Kansas, I think, wrote to say that it was the best description of incipient insanity he had ever seen, and begging my pardon, had I been there. Now the story of the story is this: For many years I suffered from a severe and continuous nervous breakdown, tending to melancholia and beyond. During about the third year of this trouble, I went in devout faith and some faint stir of hope to a noted specialist in nervous diseases, the best known in the country. This wise man put me to bed and applied the rest cure, to which a still good physique responded so promptly that he concluded there was nothing much the matter with me, and sent me home with solemn advice to live as domestic a life as far as possible, to have but two hours intellectual life a day, and never to touch pen, brush, or pencil again as long as I lived. This was in 1887. I went home and obeyed those directions for some three months, and came so near the borderline of utter mental ruin that I could see over. Then, using the remnants of intelligence that remained, and helped by a wise friend, I cast the noted specialist's advice to the winds, and went to work again, work the normal life of every human being, work in which is joy and growth and service, without which one is a pauper and a parasite, ultimately recovering some measure of power. Being naturally moved to rejoicing by this narrow escape, I wrote *The Yellow Wallpaper* with its embellishments and additions, to carry out the ideal I never had. I never had hallucinations or objections to my mural decorations, and sent a copy to the physician who so nearly drove me mad. He never acknowledged it. The little book is valued by alienists, and as a good specimen of one kind of literature. It has, to my knowledge, saved one woman from a similar fate, so terrifying her family that they let her out into

normal activity and she recovered But the best result is this Many years later I was told that the great specialist had admitted to friends of his that he had altered his treatment of neurasthenia since reading *The Yellow Wallpaper* It was not intended to drive people crazy but to save people from being driven crazy and it worked *Herland, The Yellow Wall-paper, and Selected Writings* Charlotte Perkins Gilman,1999 Charlotte Perkins Gilman 1860 1935 penned this sardonic remark in her autobiography encapsulating a lifetime of frustration with the gender based double standard that prevailed in turn of the century America With her slyly humorous novel *Herland* 1915 she created a fictional utopia where not only is face powder obsolete but an all female population has created a peaceful progressive environmentally conscious country from which men have been absent for two thousand years Gilman was enormously prolific publishing five hundred poems two hundred short stories hundreds of essays eight novels and seven years worth of her monthly magazine *The Forerunner* She emerged as one of the key figures in the women s movement of her day advocating equality of the sexes the right of women to work and socialized child care among other issues Today Gilman is perhaps best known for the chilling depiction of a woman s mental breakdown in her unforgettable short story *The Yellow Wall Paper* This Penguin Twentieth Century Classics edition includes both this landmark work and *Herland* together with a selection of Gilman s major short stories and her poems **The Yellow Wallpaper** Charlotte Gilman,2018-05-07 *The Yellow Wallpaper* by Charlotte Perkins Gilman *The Yellow Wallpaper* is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s health both physical and mental Presented in the first person the story is a collection of journal entries written by a woman whose physician husband has rented an old mansion for the summer Forgoing other rooms in the house the couple moves into the upstairs nursery As a form of treatment the unnamed woman is forbidden from working and is encouraged to eat well and get plenty of exercise and air so she can recuperate from what he calls a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period **The Yellow Wallpaper Illustrated** Charlotte Perkins Gilman,2021-03-28 *The Yellow Wallpaper* is a short story by Charlotte Perkins Gilman published 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature for its illustration of the attitudes towards mental and physical health of women in the 19th century **The Yellow Wallpaper** Charlotte Perkins Gilman,2014-08-23 It is very seldom that mere ordinary people like John and myself secure ancestral halls for the summer A colonial mansion a hereditary estate I would say a haunted house and reach the height of romantic felicity but that would be asking too much of fate Still I will proudly declare that there is something queer about it Else why should it be let so cheaply And why have stood so long untenanted **The Yellow Wallpaper** Charlotte Gilman,2018-07-27 *The Yellow Wallpaper* original title *The Yellow Wall paper A Story* is a short story by American writer Charlotte Perkins Gilman first published in January 1892 in *The New England Magazine* It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th
