Carmina Christo; or, Hymns to the Saviour ... Second edition Thomas HAWEIS,1795 *Carmina Christo; or hymns to the Saviour: designed for the use and comfort of those who worship the Lamb that was slain, etc* Thomas HAWEIS,1792

Heart to Heart Peter John McGregor,2016-05-13 In Behold the Pierced One Joseph Ratzinger recounts how the composition of a 1981 paper on the Sacred Heart of Jesus had led him to consider Christology more from the aspect of its spiritual appropriation than he had done previously Upon realizing that this same year was the 1300th anniversary of the Third Council of Constantinople he decided to study the pronouncements of this Council and came to believe that the achievement of a spiritual Christology had also been the Council's ultimate goal Ratzinger's conclusion in attempting to define a spiritual Christology was that the whole of Christology our speaking of Christ is nothing other than the interpretation of his prayer the entire person of Jesus is contained in his prayer The spiritual Christology subsequently developed by Ratzinger is one of *communio* Indeed it is one of *theosis* Through a personal and ecclesial participation in the prayer of Jesus exercised in purity of heart and consummated in the eucharistic celebration one comes into communion with Jesus Christ and all the members of his Body so that eventually one can say truly It is no longer I who live but Christ who lives in me Gal 2 20 The Year of Affections; Or, Affections on the Love of God, Drawn from the Canticles, for Every Day in the Year Avrillon (le R.P., Jean-Baptiste-Elie),Jean-Baptiste-Élie Avrillon,1847 **Healing Fractures in Contemporary**

Theology Peter John McGregor,Tracey Rowland,2022-01-20 Since Vatican II the key question that has developed in Catholic theology often unstated or unrecognized is what is theology The thesis presented here is that contemporary theologizing is fractured in many places and to varying degrees These fractures can vary in seriousness between theologians and a particular theologian may suffer from some fractures but not others The fractures addressed here are between theology and spirituality theology and philosophy theology and liturgy the literal and spiritual senses of sacred scripture theology preaching and apologetics theology and ethics theology and social theory dogmatic and pastoral theology theology and the koinonial Christian life theologians and non theologians the generation gap between Gen X and Millennial Post Millennial Catholics and theology and the Magisterium For each of these an attempt is made to examine the symptoms give a diagnosis and write a prescription *A Guide to Family Devotion* Alexander Fletcher,1800 The passion of Jesus, a course of lectures rev. Bagshawe* ,1900 Shattering the Self in Early Modern English Verse Gina Filo,2025-12-15 Reconfiguring our understanding of early modern English erotic and literary landscapes Rejecting the ideals of stability and sexual mastery

demanded of masculine subjects early modern English poets threw the limits of bodies and selves into question to embrace erotic experiences of genderqueer and transspecies embodiment and affiliation Through close readings of still canonical and lesser read writers including William Shakespeare John Donne and Thomas Traherne Gina Filo shows how these experimental encounters at the limits of the human were inextricable parts of the early modern literary and sexual imaginaries In its exploration of nonnormative forms of erotic attachment and embodiment *Shattering the Self in Early Modern English Verse Gender Sex and Queerness Beyond the Human* contributes to the burgeoning fields of early modern trans and ecocritical studies while also drawing on contemporary queer theory Filo neither seeks to naively recuperate a fantasized past nor cedes relationality sociality or generativity to the normative Instead she shows how the embrace of erotic possibility flexible unstable subjectivities and querying of the limits of the human were core features of early modern poetics reconfiguring our understanding of English literary history and queer relationality today
