The Great Work of Your Life Stephen Cope,2015-12-15 An inspiring guide to finding your life s purpose what spiritual teachers call dharma through mindfulness and self exploration Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self The secret to unlocking this mystery he asserts can be found in the pages of a two thousand year old spiritual classic called the Bhagavad Gita an ancient allegory about the path to dharma told through a timeless dialogue between the fabled archer Arjuna and his divine mentor Krishna Cope takes readers on a step by step tour of this revered tale and highlights well known Western lives that embody its central principles including such luminaries as Jane Goodall Walt Whitman Susan B Anthony John Keats and Harriet Tubman along with stories of ordinary people as well If you re feeling lost in your own life s journey The Great Work of Your Life may help you to find and to embrace your true calling Praise for The Great Work of Your Life Keep a pen and paper handy as you read this remarkable book It s like an owner s manual for the soul Dani Shapiro author of Devotion A masterwork You ll find inspiration in these pages You ll gain a better appreciation of divine guidance and perhaps even understand how you might better hear it in your own life Yoga Journal I am moved and inspired by this book the clarity and beauty of the lives lived in it and the timeless dharma it teaches

Jack Kornfield author of *A Path with Heart* A rich source of contemplation and inspiration that encourages readers to discover and fully pursue their inner self's calling Publishers Weekly Fabulous If you have ever wondered what your purpose is this book is a great guide to help you on your path YogaHara

Liminal Dreaming Jennifer Dumpert, 2019-05-28 A consciousness and dream hacker explains how to use liminal dreaming the dreams that come between sleep and waking for self actualization and consciousness expansion At the edges of consciousness between waking and sleeping there's a swirling free associative state of mind that is the domain of liminal dreams Working with liminal dreams can improve sleep mitigate anxiety and depression help to heal trauma and aid creativity and problem solving As we sink into slumber we pass through hypnagogia the first of the two liminal dream states In this transitional zone memories perceptions and imaginings arise in a fast moving hallucinatory semi conscious remix On the other end of the night as we wake we experience hypnopompia the hazy pleasant drift that is the other liminal dream state Readers of *Liminal Dreaming* will learn step by step how to create a dream practice outside of REM sleep states that they can incorporate into their lives in personally meaningful ways Liminal dreaming practice is also far easier to learn than lucid dreaming practice making it possible for the reader to begin working with these dreams this very night

Pain Science - Yoga - Life Marnie Hartman, Niamh Moloney, 2020-08-12 Pain Science Yoga Life combines the neuroscience of pain with yoga philosophy and practice for pain care Rooted in evidence based practice this book is a unique blend of the science of pain the art and science of yoga and its practical application It aims to bridge the gap that exists between a person in pain and their ability to move beyond suffering and back to life Part One sets the foundation for pain science fundamentals the Eight Limbs of Yoga as well as mindfulness practices to aid in shifting perspectives and enhance interventions for those struggling with persistent pain Part Two delves into key dimensions of pain and its care such as perception emotions physical contributions exercise and sleep Each chapter has three sections Headspace presents a review of pain neuroscience and yoga research related to each dimension Out of the Head and onto the Mat translates information from Headspace into an experiential practice on the yoga mat Off the Mat and into Life demonstrates how to extend knowledge and practice into daily living Pain Science Yoga Life is a valuable resource for healthcare and yoga professionals and is designed to deepen pain science knowledge and skills in the use of yoga for pain care The combination of scientific information along with practice sections will enable professionals to directly apply the information in the clinic or studio This book will also engage anyone who has an interest in deepening their understanding of pain and the use of yoga to gain resilience in the face of pain

can respond and grow stronger from loss and suffering Written by a psychologist and certified bereavement trauma specialist in the decade following the loss of her husband father mother and only sibling this carefully considered work provides perspective on grief and healing over time This longer term approach allows readers to have a more complete and accurate picture of the oscillations of grief over time The book describes not only the immediate agony of the author s losses but also the process of starting over and making a successful new life as a single person full of hope and joy Sweet Sorrow combines the author s psychological expertise and clinical experience with the compelling art of memoir to illuminate the surprising ways in which loss survivors can grow and even thrive to achieve wholeness after heartbreaking traumatic losses Using findings from post traumatic growth as well as evidence based psychological approaches Sweet Sorrow illustrates through story and example ways for grief survivors to start over to manage chaos and stress to let go and to heal with new strategies and re storying Sweet Sorrow also provides resources and recommendations for self care as well as tips and suggestions for all of us trying to respond creatively and helpfully to those around us suffering loss Ultimately Sweet Sorrow is a book of inspiration intended to accompany readers through the processes of loss and grief much like a helpful Sherpa might guide a lost traveler

Mindful and Relational Approaches to Social Justice, Equity, and Diversity in Teacher Education

Julian Kitchen, Karen Ragoonaden, 2019-12-30 As teaching is socially culturally and politically constructed it is important that teacher educators committed to social justice attempt to create secure environment where all voices are heard and teacher candidates can inquire into personally and socially challenging topics within a safe and caring classroom culture Relationships of trust are fundamental to teaching about social justice and to being receptive as learners in such classes Mindfulness on the part of teacher educators and teacher candidates can go a long way in fostering respect openness and acceptance in such classes Together they can lead to teacher educators and candidates thinking deeply about themselves schools and schooling as they move towards a vision of a more equitable and just society The teacher educators who have contributed to this volume recognize the challenges of balancing respect for their students with the call to social justice Their accounts and critical reflections convey how relational and mindful approaches might offer positive avenues to self and shared exploration by teacher candidates and teacher educators alike Several chapters attend to the challenges for educators as they encounter culturally and linguistically diverse contexts Others attend to these issues within the complexity of diverse university classrooms in order to guide teacher candidates towards dispositions and practices that help foster inclusion and engage diverse learners and communities Together these chapters offer thoughtful approaches to living alongside aspiring teachers as they develop deeper understanding of the concepts of race and diversity and inclusive approaches to teaching and learning

Yoga - Exploring the Health Benefits and Diverse Dimensions

Rameswar Pal, 2024-05-29 Yogic practice brings many health benefits at both physical and mental levels Yoga has many therapeutic aspects and the research on yoga therapy is increasing day by day It encompasses yoga therapy for lifestyle related disorders like hypertension
