You Are In The Bible Metaphysical Bible Interpretation For Your Life:

You Are in the Bible Carole M. Lunde, 2008-04-27 How can it be that you are in the Bible It is a mirror in which you can see yourself The Apostle Paul said we would see dimly at first and then face to face When you spiritually interpret what you read in the Bible you will more clearly understand your amazing relationship to God The Bible is an enjoyable reference book for your life once you have some tools with which to bring to light its true meaning It is also a sacred text written by inspired teachers who expressed it in the context of the ancient civilization in which they lived And yet it is the story of your inner development as well Metaphysical or Spiritual Interpretation is the clearest most uplifting and useful way to understand the Bible s message to you [You Are in the Bible](#)

Finding Home in the Fourth Dimension Carole M. Lunde, 2017-12-22 This book is about finding home in a world that obscures the spiritual nature of it the fourth dimension Beckys journey is my journey The character herself is fictional but her life experiences thoughts and feelings are mine The other characters are from my life but are given other parts to play in the story The setting begins in 1986 Becky and her friends make their way through careers growing beyond challenges of their past that limit them into spirituality freedom and beyond These characters brought up hidden emotions I didnt know were still there As I created the characters they taught me to look again at my responses to life with courage love and gentle humor I thank Becky and her friends for giving me gifts I could not have found within myself without them I gave them life though only on paper and they returned the favor by imprinting themselves on my heart In Philippians 3:13 it says Forgetting what lies behind and straining forward to what lies ahead I press on toward the goal for the prize of the upward call of God Spirituality is our nature the

fourth dimension is our home *The Great Highway of Life* Carole Lunde,2016-04-22 Did you awaken one day to your spiritual nature and wonder how you got there The flower grows from a seed in the physical ground pushes up toward the sunlight growing a stem and leaves that reach for the light and suddenly it blooms It is a beautiful bloom that is nothing like the stem leaves seed and ground it came from A friend asked if the flower is as surprised when it blooms as we are when we suddenly step into the light of our spirituality Would you like to explore your own development mirrored to you by the deeper meaning of the Bible events and stories The Bible gives us a clear pathway a highway not a confusing tangle of byways that lead nowhere This is what Isaiah was telling us in Chapter 40 3 In the wilderness prepare the way of the Lord make straight in the desert a highway for our God Every valley shall be lifted up and every mountain and hill made low the uneven ground shall become level and the rough places plain And the glory of the Lord shall be revealed and all flesh shall see it together for the mouth of the Lord has spoken Navigating the Bible through metaphysics leads you book by book chapter by chapter and sometimes verse by verse on that highway of psychological development from infancy to the gates of spirituality that open into the Gospels There Jesus leads us forward with the example of his life and teachings showing us the kingdom of heaven The Apostle Paul sees the Christ nature in each of us and endeavors to live it every day Then we reach the book of Revelation We trod the final steps to the New Jerusalem the Christ consciousness where we shed all earthly limitation and are totally prepared for God to return us to our true home Stories from Martha's House Rev. Carole M. Lunde,2009-05-06 Luke 10 38 Now it came to pass as they went that he entered into a certain village and a certain woman named Martha received him into her house This short story in the Book of Luke indicates that Martha Mary Lazarus and Jesus were dear friends It is possible they met at her house often There is a middle eastern tradition of hospitality to strangers So it is also possible travelers were accorded hospitality at Marthas as well I chose Marthas house as the place where stories were shared and expanded those stories It is exciting to flesh these stories out with characters that might have been there telling their stories as well These stories are fun and interesting to read and they make great dramas Read and enjoy them or create dramas from them You will receive a perspective on the Bible that is both thrilling and personally enlightening **Deborah, Judge, Prophetess and Seer** Carole M. Lunde,2013-06-26 Judges 4 4 Now Deborah a prophetess the wife of Lapidoth was judging Israel at that time She used to sit under the palm of Deborah between Ramah and Bethel in the hill country of Ephraim and the people of Israel came up to her for judgment This is the extent of what we know about Deborah before the battle with Sisera Judges 5 is a poetic rewrite of Judges 4 with the added story of Siseras mother who waits in the window of her palace for her son to come home The woman waiting in the window is a motif used in many writings to indicate a woman of great power Here are two powerful women whose stories are so brief as written but beg for a larger look at their lives Biblical fiction is a wonderful way to flesh out their stories leading up to Judges 4 and 5 How did Deborah grow up How did Barak grow up Deborah was in Ephraim and Barak in Kadesh Naphtali some sixty miles apart How did they know each other How

did Deborah learn of scriptures and battle plans in a society where neither of these areas were open to women Christ Consciousness You are Christ Penelope Stewart,2018-03-06 Christ Consciousness is the consciousness or awareness of the self in and as the Christ the attainment of a level of consciousness commensurate with that which was realized by Jesus Christ consciousness is the highest state of intellectual development and emotional maturity Christ consciousness is the state of awareness of our true nature our higher self and our birthright as children of God Christ consciousness has been known by various names in history such as Jainism Buddhism Hinduism and most Eastern mystical religions This path is open to anyone regardless of their religious tradition if and when he or she is open to become a living vessel of love and truth on the planet and actively strives to attain it Martha'S Syndrome Alexis Rolnick,2014-06-05 The Bible is the bestselling self help book in the world Are you willing to give the Bible another chance If so then Marthas Syndrome is for you The Bible is not about some long forgotten people It is about you There is a character or a story in the Bible that describes issues you are experiencing now It guides you in relationships with people in your life and brings you in closer contact to the divine within you The Bible is the story of mans journey in the Earth plane From the entrance of all souls in the Creation story to the ultimate enlightenment of the Christ the Bible is the harbinger of hope It is the story of us By studying Marthas Syndrome you can find your place in the Bible narrative Join Rev Rolnick on this journey of understanding *The Spiritual Path: How to Create Heaven on Earth* Lily Rose,2019-11-25 If happiness is found within and not in some form of external material trappings would you let go and let God provide for all your needs Knowing this would you make choices that are for the highest good of all concerned In *The Spiritual Path How to Create Heaven on Earth* ordained CSL minister Lily Rose works to inspire humankind to create a culture of positivity filled with solutionoriented people living harmonious virtuous lives As you step on the path she opens the door to your perception to unveil a way back to the garden through nonduality and the power of personal integrity Reverend Lily exposes the fallacies present within the collective unconscious that block all that is good from manifesting in your life You will learn how to think in a new way that is not defined by the limiting ideas of the past navigating the spectrum of consciousness and building psychic healing love energy using the penny and domino principles to heal your body mind and spirit *The Spiritual Path How to Create Heaven on Earth* will help you develop pyramid consciousness to take a quantum leap toward materializing a new you as you tap into the field of infinite possibilities to realize your full potential reprogram and rewire your brain to nip the self sabotaging behavior of addiction in the bud and manifest heaven on earth through the accumulation of grace **The Bible: Authenticity, Credibility and Morality** John E. The Father Confusors Renford,2010-09-15 The author has published many books articles and essays that take a metaphysical approach to interpreting ancient texts such as the Vedas the Dhampravada the Tao Teh Ching and the Bible He follows no theological dogma nor adopts any philosophical school He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture Some text must be taken metaphysically some as historical and some as physical events in which the witness had little or no point of reference comparable to ours In any other approach one will be interpreting based on a fixed religious tradition or a philosophical bias We have seen many variations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference between Universal Being and the warrior gods depicted in the ancient texts **Inside the Light** Ellen Wallace Douglas,2017-11-02 But choose the spirit and all Heaven bends to touch your eyes and bless your holy sight that you may see the world of flesh no more except to heal and comfort and to bless ACIM T 31 VI 1 8 **Evolution in the Bible** Patricia J. Veenema MDiv.,2022-12-30 How can the God of the Old Testament be the

same God of the New Testament With an evolutionary lens there is a reasonable answer to this question At every stage of development we can have an inspired understanding of the Divine but our perception will be configured by our worldview or value system Like transparencies on an overhead projector in this book we overlay two valuable tools the model of the Documentary Hypothesis and the model of Spiral Dynamics enabling us to view the God of the Hebrew Scriptures from an Integral perspective This book invites you to make peace with the God of the Old Testament while honoring the ancients It helps you release the dogma of religion and gives space for you to evolve your understanding of God and awaken to an integral acceptance of the inevitable and necessary stages of human development **A Complete Concordance to**
