Why Not You? Ed Newton, 2025-11-11 God is going to use someone to walk in purpose meaning destiny and anointing So why not you You can operate in your God given abilities when you operate out of your God given identity There is a very human tendency to believe the best for others and the worst for ourselves To believe that someone else can operate in their full potential while we settle to exist in our scraps of talent and personal limitations But what if we could identify these lies for what they are and learn to take hold of the life God has actually called us to When Ed Newton was ten years old a woman at McDonald's prophesied over him that God was going to use him in a great way Ed who was eating lunch with his deaf parents didn't even have a relationship with the Lord at the time He had no idea that the story that God was writing would one day be something he'd feel compelled to share with others Ed has walked the road of biblical
