not about politics It explores some very serious themes but there are light moments and humor too Set in Wyoming Colorado New York City and Southern California it makes the reader ask the hard question who is in charge of creating ourselves Ament says I had this story in mind about a young person who apparently has everything going for her but then her life falls apart The question is Does she get it back And if so how And from writer Stephen Knapp Evergreen Newspapers The characters are sharply defined and appealing and the dialogue flows smoothly and moves the narrative along at a comfortable pace The settings and situations are neither contrived nor trite and the conflicts are at once challenging and accessible In short there s nothing within Waiting for Zo that marks its author as a newcomer to the literary stage Reprinted with permission of Evergreen Newspapers
