Zora Hurston And The Strange Case Of Ruby Mccollum:

Zora Hurston and the Strange Case of Ruby McCollum C. Arthur Ellis, 2009 In 1952 Zora Neale Hurston traveled to Live Oak Florida to cover the trial of a black woman accused of murdering the town's only doctor a white man Drawing on Hurston's newspaper coverage Ellis recounts the sensational trial

The Silencing of Ruby McCollum Tammy D. Evans, 2016-09-20 This groundbreaking work reads like a murder mystery only in this case what has been killed is our American integrity and the right of an individual to a fair trial Evans has finally addressed the pervasive silence that distorts fragments and threatens to bury the history of so many southern places and people Rebecca Mark Tulane University The Silencing of Ruby McCollum refutes the carefully constructed public memory of one of the most famous and under examined biracial murders in American history On August 3 1952 African American housewife Ruby McCollum drove to the office of Dr C LeRoy Adams beloved white physician in the segregated small town of Live Oak Florida With her two young children in tow McCollum calmly gunned down the doctor during according to public sentiment an argument over a medical bill Soon a very different motive emerged with McCollum alleging horrific mental and physical abuse at Adams's hand In reaction to these allegations and an increasingly intrusive media presence the town quickly cobbled together what would become the public facade of Adams's murder a more acceptable motive for McCollum's actions To ensure this would become the official version of events McCollum's trial prosecutors voiced multiple objections during her testimony to limit what she was allowed to say Employing multiple methodologies to achieve her voice historical research feminist theory African American literary criticism African American history and investigative journalism Evans analyzes the texts surrounding the affair to suggest that an imposed code of silence demands not only the construction of an official story but also the transformation of a community's citizens into agents who will reproduce and perpetuate this version of events improbable and unlikely though they may be
