A Thinking Person's Guide to Our Times H.R.H. Prince Ghazi Bin Muhammad, 2020 The present book aims to take on this challenge by looking at the major problems from these various aspects as just mentioned Obviously one short book can hardly address all these problems and suggest solutions without certain simplifications and potentially controversial assertions Nevertheless it can hope to present a systematic analysis and suggested prognosis based on a coherent philosophy As indicated above nothing is more needed in our times and second to spiritual weakening the greatest problem of all facing the Islamic World and indeed the whole world is lack of understanding of the true natures and essences of things This book examines our times from an Islamic philosophical worldview looking at the problems facing the Islamic
