Databases **Trade Wars** Nils Ole Oermann, Hans-Jürgen Wolff, 2022-11-03 This book explores the causes and instruments of 500 years of armed and non armed international trade conflicts Nils Ole Oermann and Hans Jürgen Wolff draw on decades of experience to examine trade wars economic sanctions and different types of economic warfare investigating their history ethics economic driving forces and legality under current rules They provide a clear and accessible account of the economics of trade of trade and financial policy since the nineteenth century and of the effectiveness of sanctions and the winnability of trade wars The book also describes the transformation of economic warfare since 1989 namely in cyberspace and in the world financial system and shows how China's rise challenges the Western model of democracy and free market economies The authors conclude with a plea for improved economic statecraft and an overhaul of the current trading regime *Global Reformations Sourcebook* Nicholas Terpstra, 2021-06-24 This volume of primary sources brings together letters memoirs petitions tracts and stories related to religion and reform around the globe from the fifteenth through the eighteenth centuries The common subject of the sources is the Reformation and these texts demonstrate the themes and impacts of religious reform in Europe and around the globe Scholars once framed the Reformation as a sixteenth century European dispute between Protestant and Catholic churches and states but now look expansively at connections and entanglements between different confessions faiths time periods and geographical areas The Reformation coincided with Europeans expanding reach across the globe as traders settlers and colonists but the role that religion played in this drive has yet to be fully explored These readings highlight these reformers engagements with Judaism Islam Buddhism and indigenous spirituality and the entanglement of Christian reform with colonialism trade enslavement and racism Offering a sustained comparative and interdisciplinary exploration of religious transformations in the early modern world this collection of primary sources is invaluable to both undergraduate and postgraduate students working on theology the Reformation and early modern society *Literary Circles in Byzantine Iconoclasm* Óscar Prieto Domínguez, 2021-02-04 Iconoclasm was the name given to the stance of that portion of Eastern Christianity that rejected worshipping God through images eikones representing Christ the Virgin or the saints and was the official doctrine of the Byzantine Empire for most of the period between 726 and 843 It was a period marked by violent passions on either side This is the first comprehensive account of the extant contemporary texts relating to this phenomenon and their impact on society politics and identity By examining the literary circles emerging both during the time of persecution and immediately after the restoration of icons in 843 the volume casts new light on the striking reconstruction of Byzantine society whose iconophile identity was biasedly redefined by the political parties led by Theodoros Stoudites Gregorios Dekapolites and Empress Theodora or the patriarchs Methodios Ignatios and Photios It thereby offers an innovative paradigm for approaching Byzantine literature First Impressions Joseph A. Skloot, 2023-04-26 In 1538 a partnership of Jewish silk makers in the city of Bologna published a book entitled Sefer Hasidim a compendium of rituals

stories and religious instruction that primarily originated in medieval Franco Germany This book tells the story of how these men came to produce such a book *London's Waterfront and its World, 1666-1800* John Schofield, Stephen Freeth, 2023-12-21 This volume covering the period 1666-1800 considers the archaeology of the port of London on a wide scale from the City down the Thames to Deptford During this period with the waterfront at its centre London became the hub of the new British empire contributing to the exploitation of people from other lands known as slavery **The Elizabethan Mind** Helen Hackett, 2022-07-12 The first comprehensive guide to Elizabethan ideas about the mind What is the mind How does it relate to the body and soul These questions were as perplexing for the Elizabethans as they are for us today although their answers were often startlingly different Shakespeare and his contemporaries believed the mind was governed by the humours and passions and was susceptible to the Devil's interference In this insightful and wide ranging account Helen Hackett explores the intricacies of Elizabethan ideas about the mind This was a period of turbulence and transition as persistent medieval theories competed with revived classical ideas and emerging scientific developments Drawing on a wealth of sources Hackett sheds new light on works by Shakespeare Marlowe Sidney and Spenser demonstrating how ideas about the mind shaped new literary and theatrical forms Looking at their conflicted attitudes to imagination dreams and melancholy Hackett examines how Elizabethans perceived the mind soul and self and how their ideas compare with our own

The Pursuit of Pleasurable Work Trevor H. J. Marchand, 2021-11-01 Against the backdrop of an alienating technologizing and ever accelerating world of material production this book tells an intimate story one about a community of woodworkers training at an historic institution in London's East End during the present renaissance of craftsmanship The animated and scholarly accounts of learning achievement and challenges reveal the deep human desire to create with our hands the persistent longing to find meaningful work and the struggle to realise dreams In its penetrating explorations of the nature of embodied skill the book champions greater appreciation for the dexterity ingenuity and intelligence that lie at the heart of craftwork *London, Londoners and the Great Fire of 1666* Jacob F. Field, 2017-08-07 The Great Fire of 1666 was one of the greatest catastrophes to befall London in its long history While its impact on London and its built environment has been studied and documented its impact on Londoners has been overlooked This book makes full and systematic use of the wealth of manuscript sources that illustrate social economic and cultural change in seventeenth century London to examine the impact of the Fire in terms of how individuals and communities reacted and responded to it and to put the response to the Fire in the context of existing trends in early modern England The book also explores the broader effects of the Fire in the rest of the country as well as how the Great Fire continued to be an important polemical tool into the eighteenth century
